This shall include, but not be limited to such statutes as the *Ontario Human Rights Code*, the *Employment Standards Act*, the *Workplace Safety & Insurance Act* and the *Occupational Health and Safety Act*.

ARTICLE 2 - RECOGNITION

2.01 Bargaining Unit Scope

The Employer recognizes the Union as the exclusive bargaining agent for all construction employees in the employ of the Employer in all sectors of the construction industry in the province of Ontario save and except non-working foremen and persons above the rank of non working foreman.

- 2.02 There shall be no revision, amendment or alteration of the bargaining unit as defined herein, or of any of the terms and provisions of this Agreement, except by mutual agreement, in writing, of the parties. Without limiting the generality of the foregoing, no classification may be removed from or added to the bargaining unit except by mutual agreement, in writing, of the parties.

- 2.03 The parties may, on a project basis, to be competitive, or to address specific concerns not addressed herein, amend the terms of this Agreement for the duration of the project. Such agreement shall be made in writing and signed by the parties.

Any such subcontracting shall be considered by the Employer and Union to be specifically excluded from and not within the scope of the bargaining unit description set out in the Union recognition clauses (in Article 2), such that the terms and conditions of this Agreement shall have no application to the employees employed by subcontractor.

Such permission will not be unreasonably withheld. A steward will attend at all disciplinary meetings involving members of the bargaining unit.

The Employer will pay Stewards at their regular hourly rate for time spent attending union business such as presenting grievances and attending meetings at the request of the Employer.

- 5.02 During the term of this Agreement, or while negotiations for a further agreement are being held, the Employer will not engage in any lockout of its employees or deliberately restrict or reduce the hours of work.

ARTICLE 6 - EMPLOYMENT POLICY

- 6.01 The Union and the Employer will cooperate in maintaining a desirable and competent labour force. The Employer will notify the Union of labour requirements giving as much prior notice as possible. The Union will provide a list of manpower available. The Employer at its discretion may hire employees listed or from other sources.
- 6.02 To assist in the efficient placement of appropriately skilled members the Employer will inform the Union when employees are laid off and when new employees are hired, upon such lay off or hire.

Employees who are interested in transferring to another position shall advise the Employer of such interest by filing a request for transfer with the Employer.
- 6.04 New employees will be hired on a three (3) month probationary period and thereafter shall attain regular employment status. During the probationary period, the following shall apply;

- c. Employees laid off during probation and rehired by the Employer within three (3) months shall not serve a new probationary period but continue with credit for probation already served.
- d. The discharge of probationary employees shall not become the subject of a grievance, unless the Union alleges such discharge is discriminatory, arbitrary or in bad faith.

6.05 Students (co-op / enrolled and planning to go back)

- a. The term “student” shall be applied to an employee hired to work in the bargaining unit during a school study break. A student is enrolled in secondary or post-secondary education or intends to begin or return to secondary or post-secondary education. - d. When the conditions described in (a) above no longer apply, the Employer may terminate the former student's employment or offer the former student regular employment subject to all of the conditions of the Agreement. Where a student does become a regular employee the probation period and any other waiting periods pursuant to this Agreement shall be waived. Such an employee's employment date pursuant the layoff, recall and employment rights provisions (Articles 6 and 12) shall thereafter be the date on which he becomes a regular employee.

ARTICLE 7 - UNION DUES, REMITTANCES, AND DATA COLLECTION

- 7.01 The Employer shall deduct from each employee, from the commencement of employment, an amount equal to the Union dues as set by the National Convention of the Union and as described within the Dues Directive that it issues. - 7.07 All contributions and deductions pursuant to Article 13-Health and Welfare Plan, Article 14-Pension Plan, Article 17-Education and Training Fund, and Article 18-Industry Fund shall be remitted together with and in the manner described for Union dues, as set out here in Article 7.
- 7.08 Neither the Employer nor the Union will compel employees to become members of the Union. The Employer will not discriminate against employees because of Union membership or lack thereof, and it will inform all new employees of the contractual relationship with the Union.
- 7.09 Employees who cannot support the Union with their dues for reasons of conscience, as determined by the Union's internal

guidelines of what constitutes a conscientious objection, may apply to the Union, in writing, to have their dues redirected. Such application shall outline the nature of the conscientious objection.

ARTICLE 8 - WAGES AND RATES OF PAY

- 8.01 Wage rate schedules applicable to various job classifications are as set forth in Schedule “A” attached hereto and made part hereof. The wages shall apply to all work performed by the employees.
- 8.02 Wages shall be paid bi-weekly, within five (5) calendar days following the end of the pay period, by direct deposit and shall be accompanied by a separate statement identifying both the Employer and employee, outlining regular hours worked, the hourly rate, overtime hours worked, the total earnings, amounts of deductions, net earnings and contributions to the Unions Health Fund and Pension Fund.
- 8.03 In the event that a new classification is established by the Employer the wage rate applicable for such a newly established classification shall be subject to negotiation between the Employer and the Union. Should the Employer and the Union fail to agree on such wage rate, the sole issue of the establishment of such wage rate may be submitted to arbitration in accordance with the arbitration provisions of this Agreement.
- 8.04 When there is a temporary shortage of work within a given work day in a specific classification, the Employer may assign employees to another classification at their usual rate of pay provided the employee is qualified to do that work.

8.05 Minimum Hours of Work

An employee who is not provided twenty-four (24) hours notice that a regularly scheduled work day has been cancelled shall receive a minimum of three (3) hours pay at his regular rate of pay for such day.

An employee who completes a shift or is sent home from work before he has worked three (3) hours, shall receive a minimum of three (3) hours pay at the rate of pay he would have earned if the work had been performed.

Employees must inform the Employer of a means of being contacted on short notice. If the Employer so attempts to inform the employee of a lack of work due to weather but is unable to do so, the employee will not be entitled to show up time.

8.06 Shift Work and Shift Premiums

- a. The Employer shall give an employee as much advance notice as possible before the employee is assigned shift work.
- b. The Employer will attempt to distribute non-day shifts as evenly as possible among employees who normally perform the work assigned to such shift schedule. However, the Employer will consider the preference of employees who volunteer to work the non-day shifts.
- c. A shift premium of ten percent (10%) of the employee's regular hourly rate applies to all hours worked where the shift begins earlier than 6:00 a.m. and later than 10:00 a.m.

ARTICLE 9 - HOURS OF WORK AND OVERTIME

9.01 A regular work week shall consist of forty-four (44) hours, comprised of five (5) regular work days, Monday to Friday inclusive. The regular work day begins at 7:00 a.m. and ends at 4:00 p.m.

The definition of a regular work week and the definition of a regular work day does not create a guarantee or limit to the number of hours of work scheduled or worked per day or the number of days of work scheduled or worked per week and does not create entitlement for overtime.

The parties may jointly agree to amend the regular work day, subject to the requirements of each work site.

9.02 There shall be two (2) paid coffee breaks of fifteen (15) minutes on each shift. Employees shall take an unpaid meal period of one-half ($\frac{1}{2}$) hour at the midpoint of their shift, or at such time during their work day which is convenient.

Ten and one-half ($10 \frac{1}{2}$) hours after the start time of the shift there will be a paid meal break of one-half ($\frac{1}{2}$) hour. A paid coffee break will follow each additional two (2) hours.

9.03 Hours of work and overtime as set out in this Agreement may be modified by mutual agreement between the Employer and the Union for selected projects.

Further, the Employer shall give the Union and employees as much notice as possible regarding modification to the regular work schedule including implementation of non-day shifts on a project. The effective date of the modified work schedule shall be communicated to the Union when known by the

Employer and the effective date of the modified work schedule shall be no sooner than one week from the day such notice is given. Such modified work schedule shall include daily and weekly overtime thresholds.

9.04 Overtime

- a. Work performed in excess of ten (10) hours per day or forty-four (44) hours per week shall be paid at the rate of one and one half times (1.5) times the employee's regular hourly rate.
- b. Work shall not normally be performed on Sunday. However, if extraordinary circumstances necessitate work on Sunday, time worked shall be paid at the rate of one and one half times (1.5) times the regular rate of pay regardless of weekly hours of work.

9.05 The Employer will attempt to distribute overtime work as evenly as possible among employees who normally perform the work and who indicate they wish to work overtime.

ARTICLE 10 - VACATION & VACATION PAY / PUBLIC HOLIDAYS & HOLIDAY PAY

10.01 The Employer agrees to pay each employee vacation pay and holiday pay which shall be calculated by adding ten percent (10%) by each employee's gross hourly earnings;

10.02 The Employer agrees to remit the vacation pay of each employee to the Union's Employee Trust Fund as described in Article 7.

- 10.03 The parties agree that vacation pay shall be deemed to include payment for Public Holidays as defined in the *Employment Standards Act, 2000 (ESA)* as amended from time to time, and that such manner of payment is equivalent to, or greater than any like benefit required by the ESA.
- 10.04 Vacation periods shall be arranged by mutual agreement between the Employer and the employees. Employees shall submit requests for vacation with as much advance notice as possible, and normally with at least two (2) weeks notice. The Employer will grant such requests unless operational requirements are known to interfere with such vacation request, including requests made with less notice than two (2) weeks. The Employer will reply to vacation requests as soon as possible and within one (1) week. The Employer shall grant vacation requests insofar as is practicable, having regard to the operational requirements. Vacation requests and approvals shall be written, including by text or email.
- 10.05 The following days shall be recognized as Public Holidays:
- New Year's Day, Family Day, Good Friday, Victoria Day, Canada Day, Civic Holiday, Labour Day, Thanksgiving Day, Christmas Day and Boxing Day.
- 10.06 An employee required to work on a day listed in Article 10.05 shall receive holiday premium pay which shall be calculated as two (2) times the employee's regular hourly rate for all time worked. Such hours shall not be included when determining the total number of regular hours worked in a week.

ARTICLE 11 - LAYOFFS, RECALLS AND SERVICE CREDIT

11.01 Service credit is the measure of an employee's duration of employment with the Employer from the most recent date of hire and, where applicable, within his job classification. Service credit helps determine employment rights, layoffs and recalls, as indicated below. Upon completion of probation, service credit is dated from the most recent date of hire.

The Employer shall maintain a list of its employees within each employment classification identified in Schedule "A" and the amount of service credit each has earned. This list shall be made available to the Union upon request.

11.02 Employment rights shall terminate and an employee shall cease to be employed by the Employer in the bargaining unit when he:

- a. voluntarily quits his employment with the Employer;
- b. is discharged and is not reinstated through the grievance procedure or arbitration;
- c. fails to report for work as scheduled for more than three (3) consecutive work days without having a justifiable reason for such failure to report;
- d. is laid off for seven (7) consecutive months;
- e. fails to report on the first day following the expiration of a leave of absence without just cause;
- f. is absent from work for a period of more than twenty-four (24) months due to a *bona fide* injury, or illness;

- g. fails to report to work following a recall within four (4) workdays if unemployed, or eight (8) workdays if employed elsewhere;
- h. takes a position with the Employer but outside the bargaining unit and that position is expected to last or has lasted for longer than the time outlined in d., above.

11.03 When, in the opinion of the Employer, a reduction of the workforce is inevitable, the Employer shall terminate the contract for sub-contracted workforce employees as soon as contractually permissible. Students and probationary employees shall be laid off prior to employees who have competed probation. Further reduction of the size of the regular workforce is guided by:

- Skill, ability and qualifications of the employees,
- other reasonable and objective standards
- service credit of the employees

Generally the employee with the greatest service credit shall be laid off last, provided the employee, as determined by the Employer, has the skill, ability, and qualifications to perform the work that is available.

The discretion exercised by the Employer in determining the need for layoffs, the order of layoff and which employees to lay off shall not be unreasonably exercised.

11.04 When laying off an employee, the Employer shall give notice of at least four (4) hour's or pay equivalent to and in lieu of such notice.

- 11.05 The Employer shall notify the Union office and the stewards on the date of a layoff. Notice will include, for each employee laid off, name, effective date of layoff, expected recall date unless the layoff is indefinite, amount of service credit, employment classification and most recent contact information.
- 11.06 The recall of employees shall follow the same procedure and considerations used for the layoff of employees as set out above. That is, generally the employee with the greatest service credit within his/her classification or scope of trade shall be recalled first, provided the employee is available and is able to perform the work available.
- 11.07 An employee that accepts employment with the Employer outside of the bargaining unit rather than be laid off where there is a shortage of work may return to his position in the bargaining unit when there is work, provided he has remained continuously employed by the Employer or, if laid off, retains employment (recall) rights. Upon returning to the bargaining unit, his seniority shall include time worked for the Employer while outside the bargaining unit.

ARTICLE 12 - TRANSPORTATION, TRAVEL TIME AND ROOM AND BOARD

- 12.01 Transportation, travel and mileage are as follows:
- a. There shall be a free travel zone (the “free zone”) described as 50 km from the Employers base of operations (18 Louisa Street, Ottawa).

For projects within the free zone the Employer is not obligated to pay travel time, to pay mileage or to provide transportation, except as provided below.

- b. For projects outside the free zone, including projects located out of town, the Employer will provide transportation and will pay for travel time.

Provision of transportation usually means use of the Employer's vehicle but can include Employer paid public transit or, where agreed by the employee, use of the employee's vehicle with payment of mileage by the Employer.

Travel time equals one half of the round trip time travel time from the Employer's shop (or a mutually agreed marshalling area) to a project and return to the shop.

- c. Mileage, where applicable, is paid for all kilometres travelled from the Employer's shop to the project and return. The mileage rate is \$0.55 per kilometre. Mileage is not paid to employees when the Employer provides transportation but the employees elect to drive directly to the job site.
- d. The same amount of travel time is paid to each employee in the crew traveling to the same job site from the same marshalling area.
- e. Where the Employer requests employees to transport the Employer's tools, equipment, materials or personnel with their own vehicle and the employee agrees, the Employer shall pay mileage and travel time for all distance and time traveled whether within or outside the free zone.

Distance and time in this article are to be measured using Google Maps as the shortest distance by paved road calculated at the time of travel and excludes toll roads unless Employer is paying the cost of the toll.

12.02 Out of Town Allowances

The Employer shall arrange, assign and pay for out of town living accommodations that meet a suitable and reasonable standard. Double occupancy at an economy motel normally meets the standard. In addition, the Employer shall pay each employee a food allowance for each day that the employee is scheduled to work at a project that requires overnight accommodation. The allowance is paid for each day worked by the employee and for each day that work was scheduled but not performed due to circumstances outside the employee's control, but excluding days not worked due to the illness or absence of the employee.

The daily food allowance is \$54.00.

ARTICLE 13 - CLAC HEALTH AND WELFARE TRUST FUND

13.01 The Union warrants and represents that the Union's Health & Welfare Trust Fund (the "Trust Fund") is established to provide insurance and related benefit programmes for the Plan Members. The Trust Fund is supervised by a board of trustees including employer and union trustees.

13.02 The Employer agrees to remit the amount outlined under Schedule "A" for health insurance coverage for each hour worked by each employee covered under this Agreement in

accordance with the Remittances to the Union Article 7 and the Union's dues and remittance policy and directive.

13.03 The Employer will cooperate in providing information as necessary for the proper administration of the Trust Fund, including the information outlined in the Remittance to the Union provisions in Article 7 and the Union's dues and remittance policy and directive. The Employer further agrees to inform the Union of any changes in the above employee information.

13.04 The Trust Fund will be responsible for the timely reporting of taxable benefit amounts attributable to participation in the Trust Fund. Such communication will be in the form of T4A information slips issued by the Trust Fund or any other documentation that may be required for reporting to Canadian provincial or federal tax authorities.

13.05 The Union covenants and agrees to indemnify and hold harmless the Employer against any and all claims made against, and liability of any nature incurred by, the Employer by reason of any amounts deducted from any employee's pay and remitted to the Union as provided herein. In the event that the Employer fails to remit according to these articles, this indemnification is inoperable. The Employer's sole obligation pursuant to this article shall be limited to making the payment more particularized herein.

13.06 Ineligibility Due to Age

Whereas coverage under the Benefit Plan ceases for the plan participant because of age, an amount equivalent to the contributions to the Trust Fund, will be paid to that employee

and treated as wages. This is the hourly Employer contribution amount outlined in Schedule “A”.

13.07 Employee Paid Disability Coverage and Premiums

Coverage will include an employee paid long term disability insurance plan. The premiums for disability insurance will be deducted by the Employer from each employee’s pay and remitted on the employee’s behalf to the Union in accordance with the above Remittances to the Union article and the Union’s dues and remittance directive.

The premium amount is deducted from each employee’s first cheque each month in an amount indicated by the Union for the cost of the coverage.

Participation in the disability insurance coverage and in the payroll deduction is mandatory and begins upon hire.

The Employer shall cease making payroll deductions to pay for the disability benefit(s) six (6) months after the employee turns sixty-four (64) years of age.

ARTICLE 14 - PENSION PLAN

14.01 The CLAC Pension Plan (“the Plan”), a defined contribution pension plan, is registered with the Canada Revenue Agency. The Plan applies to all employees covered by this Agreement.

14.02 New employees will join the Plan beginning from the first day following the probationary period.

14.03 The Employer shall remit to the Union, for each eligible employee, an Employer contribution to match the employee contribution up to five per cent (5%), as indicated in

Schedule “A”. Employer contributions will vest in accordance with the rules of the Plan.

- 14.04 The Employer’s contributions to the Plan will be non-refundable to the Employer once received by the Union and will vest immediately in the employee on whose behalf the deposit was made.
- 14.05 The Employer shall deduct from the gross earnings of each eligible employee, and remit to the Union, an amount up to five percent (5%) of gross wages.
- 14.06 The Employer agrees to deduct, by way of payroll deduction, and remit to the Union, additional voluntary employee pension contributions which are above and beyond those contributions outlined above. Employees must request such deductions by submitting a form provided by the Union to the Employer. The Employer will send a copy of the completed form to the Union along with the next remittance which includes such voluntary contributions.
- 14.07 The total amount of pension contributions remitted by the Employer, on an employee’s behalf, cannot exceed the annual maximum money purchase outlined by the Canada Revenue Agency. The Employer has no obligation to monitor the employee’s contribution made outside the employment relationship. For greater clarity, if employees exceed the annual maximum money purchase limit as a result of contributions made outside the employment relationship, the Employer shall not be liable for any tax consequence imposed on the employee by the Canadian Revenue Agency.

- 14.08 The Employer shall continue pension contributions during a period of injury insured under provincial workplace safety insurance legislation, to the extent required by such legislation.
- 14.09 The Employer will remit pension contributions to the Union as outlined in the Remittances to the Union article. Employer, employee and voluntary contributions, as the case may be, will be recorded separately on the remittance.
- 14.10 In the event that a remittance has not been received by the Union by the date set out in the Remittances to the Union article, the Employer is responsible to compensate the Plan for any investment returns lost by the employees as a result of the late remittance. This compensation amount shall be calculated on all applicable contributions which are part of the remittance.
- 14.11 Ineligibility Due to Age**
- Where legislation prohibits an employee from contributing because of age, an amount equivalent to the contributions will be paid to that employee as wages on each paycheque and treated as wages. This payment in-lieu of pension contributions will not be less than the amount that employee would have received if they were still contributing to the Plan.
- 14.12 The Union acknowledges and agrees that, other than remitting contributions to the Plan as set out in this Article, the Employer shall not be obligated to contribute toward the cost of pension benefits provided by the Plan or be responsible for providing such benefits.
- 14.13 The Employer and the Union will cooperate in providing the information required to administer the Plan on the employees'

behalf. The Plan staff shall be responsible for informing the employees about the Plan, which includes providing updated account statements of all contributions received, investment returns allocated, and the current account balance.

ARTICLE 15 - HEALTH AND SAFETY

15.01 The Employer, Union and the employees shall comply with the provisions of the Occupational Health and Safety Act where and when applicable. The Employer shall provide working conditions at all times which are not prejudicial to the health or efficiency of the employees.

Employees are required to report to their Employer any unsafe work conditions, any violation of safe work policies or procedures established by the Employer, and any violation of relevant safe work legislation.

15.02 Employees who are injured in the course of performing their duties and are unable to continue work shall be paid for their regular hours for the day of the injury.

15.03 When the Employer requires that an employee attend training, including health and safety courses, first aid/CPR training or orientation for new employees, such attendance is time worked. The Employer will pay employees their regular wages, and remit to the Union for health benefit, pension and other fund contributions. ARTICLE 20 - DISCIPLINE AND DISCHARGE

20.01 The Employer may warn, suspend, demote or discharge employees for just cause. If the conduct or performance of an employee warrants disciplinary action, such action shall be confirmed in writing. A copy of all such documentation shall be provided to the employee(s) involved and forwarded to the office of the Union at the time they are issued.

20.02 Any disciplinary notice shall be issued only after or during the meeting with the employee being disciplined. An employee shall be advised of the nature of the meeting prior to attending. The employee shall be accompanied by a steward in accordance with Article 4.02.

20.03 Disciplinary meetings shall normally take place during the affected employee's scheduled shift. If the employee is not at work and the incident giving rise to the meeting is so serious that immediate action is warranted, employees may be called in at a time when they are not scheduled to work. Such time to attend a discipline meeting is paid time per this Agreement.

20.04 Any letters of warning older than twenty-four (24) months shall be removed from an employee's file, provided that there is no repeat offence of the incident giving cause to the discipline during such twenty-four (24) month period. Any record of

suspension will be removed after twenty-four (24) months, provided there is no repeat offence of the incident giving cause to the suspension during such twenty-four (24) month period.

ARTICLE 21 - GRIEVANCE AND ARBITRATION PROCEDURE

21.01 The parties to this Agreement recognize the Stewards and the CLAC Representatives specified in Article 4 as the agents through which employees shall process their grievances and receive settlement thereof.

21.02 "Grievance" shall mean a complaint or claim concerning improper discipline or discharge, or a dispute with reference to the interpretation, application, administration or alleged violation of this Agreement.

A "Group Grievance" is defined as a single grievance, signed by a steward or a Union representative on behalf of a group of employees who have the same complaint. Such grievance must be dealt with at successive stages of the grievance procedure commencing with Step 1. The group of grievors shall be listed on the grievance form.

A "Policy Grievance" is defined as one which involves a question relating to the interpretation, application, or administration of this Agreement. A "Policy Grievance" shall be signed by a steward or a Union representative or, in the case of an Employer's policy grievance, by the Employer or its representative.

21.03 All the time limits referred to in the grievance procedure herein contained shall be deemed to mean "**business days**" and

exclude Saturdays, Sundays and public holidays as listed herein.

21.04 The Employer or the Union shall not be required to consider or process any grievance which arose out of any action or condition more than five (5) days after the subject of such grievance occurred. If the action or condition is of a continuing or recurring nature, this limitation period shall not begin to run until the action or condition has ceased. If the Employer does consider or process a grievance which has been presented late, the Employer shall not be stopped or precluded at any stage from taking the position that the grievance is late and not arbitrable.

21.05 The Unions will not file a grievance until after the effected employee brings the complaint to the attention of his immediate supervisor. If the supervisor does not promptly settle the matter to the employee's satisfaction, an employee's proper grievance may be processed as follows:

Step 1

A grievance is to be filed within the five (5) days referred to in Article 21.04 above, in writing and shall be filed with the Employer by a steward or a Union representative. The Employer shall notify the Union of its decision in writing within five (5) workdays following the day upon which the grievance was filed.

A grievance shall identify:

- the facts giving rise to the grievance,
- the section or sections of this Agreement claimed violated and

- the relief requested.

The grievance will be signed by the employee involved unless it is a policy grievance. The Union may sign for an employee with the employee's instruction.

Step 2

If the Union is dissatisfied with the outcome at Step 1, a Union representative shall within five (5) days of the decision under Step 1, or within five (5) days of the day this decision should have been made, notify the Employer that a grievance meeting is required between the steward or Union representative together with the grievor and the Employer. This meeting will be held within five (5) days of the Step 2 meeting notice to the Employer. The Employer shall notify the steward or Union representative of its decision in writing within five (5) days of such meeting.

21.06 Union Policy Grievance or Employer Grievance

A Union policy grievance or an Employer grievance may be submitted to the Employer or the Union, as the case may be, in writing, within ten (10) days of the time circumstances upon which the grievance is based were known or should have been known by the grievor. A meeting between the Employer and the Union shall be held within five (5) days of the presentation of the written grievance and shall take place within the framework of Step 2. The Employer or the Union, as the case may be, shall give its written decision within five (5) days after such meeting has been held.

If the decision is unsatisfactory to the grieving party, the grievance may be submitted to arbitration within fifteen (15) days of the delivery of such written decision or within fifteen (15)

days of when such written decision ought to have been delivered.

The Union will not institute a grievance directly affecting an employee which such employee could themselves institute, by passing the provisions of Steps 1 and 2 above.

21.07 Arbitration

If the parties fail to settle a grievance, the grievance may be referred to arbitration under the procedure contained herein. Notwithstanding the arbitration procedure contained herein, a grievance may be, at any time, referred to the Ontario Labour Relations Board for arbitration under the provisions of the *Labour Relations Act, 1995*.

21.08 The party requiring arbitration must serve the other party with written notice of desire to arbitrate within fourteen (14) days after receiving the final decision given in the grievance procedure. If no decision is given, notice must be given within fourteen (14) days of when that decision was due.

21.09 If a notice of desire to arbitrate is served, the party requiring arbitration will submit to the other party with the notice of arbitration, a list of three (3) suggested arbitrators. The other party shall either agree to one (1) of the three (3) or submit three (3) different arbitrators. In the event the party submitting the matter to arbitration is unwilling to agree to these three (3), the parties shall arrange a lottery from amongst the six (6) arbitrators, drawing all six (6), in turn, and then requesting the arbitrators in the same order to hear the case. If the first arbitrator drawn is unable to convene a hearing within one month, the matter is sent to the second arbitrator drawn. The process will continue in that fashion until

an available arbitrator has been found from amongst the six (6) or all of the six (6) arbitrators have been contacted in turn. If none of the six (6) arbitrators is able to convene a hearing within one (1) month the parties will remit the matter to the arbitrator that is available soonest.

- 21.10 Notices of desire to arbitrate and of nominations of an arbitrator shall be served in writing including by email or delivered in person.
- 21.11 If a party refuses or neglects to answer a grievance at any stage of the grievance procedure, the other party may commence arbitration proceedings and if the party in default refuses or neglects to appoint an arbitrator in accordance with Article 9, the party not in default may, upon notice to the party in default, appoint a single arbitrator to hear the grievance and their decision shall be final and binding upon both parties.
- 21.12 It is agreed that the arbitrator has the jurisdiction, power and authority to give relief for default in complying with the time limits set out in Articles 22 where it appears that the default was owing to a reliance upon the words or conduct of the other party.
- 21.13 Each of the parties hereto will bear, jointly and equally, the expense of the arbitrator.
- 21.14 The arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify or amend any part of this Agreement nor adjudicate any matter not specifically assigned to it by the notice to arbitrate outlined in the grievance procedure.

21.15 Employees found to be wrongfully discharged or suspended will be reinstated with back pay calculated at an hourly rate or average earnings, as applicable, times normal hours, less any monies earned, or by any other arrangement which is just and equitable in the opinion of the arbitration board.

Where the arbitrator is of the opinion that there is proper cause for disciplining an employee, but considers the penalty imposed too severe in view of the employee's employment record and the circumstance surrounding the discharge or suspension, the arbitrator may substitute a penalty which, in its opinion, is just and equitable. This clause shall not apply to the discharge of a probationary employee.

ARTICLE 22 - DURATION

22.01 This Agreement shall be and shall remain in effect from August 1, 2020 to July 31, 2023 and for further periods of one (1) year unless notice shall be given by either party of the desire to delete, change, or amend any of the provisions contained herein, within sixty (60) days prior to the expiry date. Should neither of the parties give such notice, this Agreement shall renew for a period of one (1) year.

22.02 Should negotiations not be completed prior to the expiration date of this Agreement all negotiated items shall be retroactive from the date of signing to the expiration date of the expired Agreement.

22.03 Until a new Agreement has been concluded all provisions in this Agreement shall remain in full force and effect.
