- 1.02 The parties to this Agreement pledge to work towards the greatest possible degree of consultation and cooperation believing that the following concepts provide a fundamental framework for improved labour-management relations:

- a. the industrial enterprise is an economically characterized work community of capital-investors and workers under the leadership of a management;
 - b. the economic character springs from a continuous striving towards efficient use of scarce resources, energy and environment, and in the adequate development of research, production and marketing;
 - c. the enterprise requires authority relationships under a strong central leadership or management;
 - d. a strong management does not discourage cooperation but stimulates it, recognizing that while leadership without labour can do nothing, labour without management cannot survive.
- 1.03 The omission of specific mention in this Agreement of existing rights and privileges established or recognized by the Employer shall not be construed to deprive employees of such rights and privileges.
- 1.04 Should any part of this Agreement be declared or held invalid for any reason, that invalidity shall not affect the validity of the remainder which shall continue in full force and effect and be considered as if this Agreement had been executed without the invalid portion.

ARTICLE 21 - PROTECTIVE EQUIPMENT

21.01 All employees shall wear safety hats to be made available by the Employer.

21.02 The Employer shall pay to each employee a boot allowance once a year on the first (1st) pay period in July. The boot allowance will be calculated as the amount set out in Schedules "A-1" and "A-2 for all hours worked. Employees are responsible to purchase seasonally appropriate and safe footwear which complies with all relevant legislative standards.

21.03 The Employer will furnish employees with safety equipment (including safety glasses, etc.) and rain gear if and when required. Said equipment shall remain the property of the Employer. Any worn out safety equipment will be replaced upon presentation of the worn equipment. The employees shall be held

responsible for loss or improper maintenance of Employer furnished items.

ARTICLE 22 - LEAVES OF ABSENCE AND BEREAVEMENT PAY

22.03 Bereavement Leave

An employee shall be granted three (3) days leave of absence with pay at their regular straight time hourly rate for eight (8) hours per day to make arrangements for and to attend the funeral of their parents or step parents, parents of their spouse, spouse or common-law spouse, child, brother, brother-in-law, sister, sister-in-law, grandparent or grandchild.

22.04 Employees who fail to report for work as scheduled without giving a justifiable reason shall be deemed to have voluntarily quit.

ARTICLE 23 - GRIEVANCE PROCEDURE

23.01 The parties to this Agreement recognize the Stewards and the Representatives specified in Article 4 as the agents through which employees shall process their grievances and receive settlement thereof.

23.02 A Grievance shall mean a complaint or claim concerning improper discipline or discharge, or a dispute with reference to the interpretation, application, administration or alleged violation of this Agreement.

A Group Grievance is defined as a single grievance, signed by a Steward or a Representative on behalf of a group of employees who have the same complaint. Such grievance must be dealt with at successive stages of the Grievance procedure commencing with Step 1. The grievors shall be listed on the grievance form.

A Policy Grievance is defined as one which involves a question relating to the interpretation, application or administration of this Agreement.

A Policy Grievance shall be signed by a Steward or a Representative, or in the case of an Employer's Policy Grievance, by the Employer or their representative.

23.03 All the time limits referred to in the grievance procedure herein contained shall be deemed to mean “work days.”

23.04 The Employer or the Union shall not be required to consider or process any grievance which arose out of any action or condition more than five (5) work days after the subject of such grievance occurred. If the action or condition is of a continuing or recurring nature, this limitation period shall not begin to run until the action or condition has ceased. The limitation period shall not apply to differences arising between the parties hereto relating to the interpretation, application or administration of this Agreement. If the Employer does consider or process a grievance which has been presented late, the Employer

shall not be stopped or precluded at any stage from taking the position that the grievance is late and not arbitrable.

23.05 No employee shall have a grievance until they have discussed their complaint with their immediate Supervisor. If the employee's immediate Supervisor does not promptly settle the matter to the employee's satisfaction, an employee's proper grievance may be processed as follows:

Step 1

Subject to the conditions of Article 6.05, if a grievance is to be filed it shall, within the five (5) work days referred to in Article 23.04 above, be reduced to writing and shall be presented to the designated Employer representative by a Steward or a Representative. The designated Employer representative shall notify the Union representative of their decision in writing not later than five (5) work days following the day upon which the grievance was submitted.

The grievance referred to above shall identify:

- a. the facts giving rise to the grievance;
- b. the section or sections of the Agreement claimed violated;
- c. the relief requested;

and shall be signed by the employee or employees involved.

Step 2

If the grievance is not settled in Step 1, a Representative shall within five (5) work days of the decision under Step 1, or within five (5) work days of the day this decision should have been made, submit a written grievance to the designated Employer Representative. A meeting will be held between the Steward or Representative together with the grievor involved and the designated Employer Representative and other representatives of the Employer. This meeting will be held within five (5) working days of the presentation of the written grievance to the designated Employer representative. The Employer shall notify the Steward or Representative of their decision in writing within five (5) work days of such meeting.

Step 3

In the event that the grievance is not settled at Step 2 the party having the grievance may serve the other party with written notice of desire to arbitrate within five (5) work days of the delivery of the decision in Step 2 to the Steward or Representative but not thereafter.

23.06 Union Policy Grievance or Employer Grievance

A Union policy grievance or an Employer grievance may be submitted to the Employer or the Union, as the case may be, in writing, within ten (10) work days of the time circumstances upon which the grievance is based were known or should have been known by the grievor. A meeting between the Employer and the Union shall be

held within five (5) work days of the presentation of the written grievance and shall take place within the framework of Step 3 of Article 23.05 hereof. The Employer or the Union, as the case may be, shall give its written decision within five (5) work days after such meeting has been held.

If the decision is unsatisfactory to the grieving party, the grievance may be submitted to arbitration within fifteen (15) work days of the delivery of such written decision and the arbitration section of this Agreement shall be followed.

If the Employer is not advised of the Union's intention to proceed to arbitration within five (5) work days, the Employer shall not be liable for any damages during the foregoing fifteen (15) work day period.

The provisions of this paragraph 23.06 shall not be used by the Union to institute a grievance directly affecting an employee or employees which such employee or employees could themselves institute, and the provisions of Articles 23.04 and 23.05 hereof shall not thereby be bypassed.

ARTICLE 24 - ARBITRATION

24.01 If a notice of desire to arbitrate is served, the two parties shall each nominate an arbitrator within seven days of

service and notify the other party of the name and address of its nominee. The two arbitrators so appointed shall attempt to select, by agreement, a Chairperson. If they are unable to agree upon a Chairperson within seven days of their appointment, either party may request the Minister of Labour to appoint an impartial Chairperson.

24.02 No person may be appointed as Chairperson who has been involved in an attempt to negotiate or settle the grievance.

24.03 The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairperson of the Arbitration Board governs.

24.04 If a party refuses or neglects to answer a grievance at any stage of the Grievance Procedure, the other party may commence arbitration proceedings and if the party in default refuses or neglects to appoint an arbitrator in accordance with Article 24.01, the party not in default may, upon notice to the party in default, appoint a Single Arbitrator to hear the grievance and their decision shall be final and binding upon both parties.

24.05 It is agreed that the Arbitration Board shall have the jurisdiction, power and authority to give relief for default in complying with the time limits set out in Article 23 and 24 where it appears that the default was owing to a reliance upon the words or conduct of the other party.

- 24.06 An employee found to be wrongfully discharged or suspended will be reinstated without loss of seniority and with back pay calculated at an hourly rate or average earnings, as applicable, times normal hours, less any monies earned, or by any other arrangement which is just and equitable in the opinion of the Arbitration Board.
- 24.07 Where the Arbitration Board is of the opinion that there is proper cause for disciplining an employee, but considers the penalty imposed too severe in view of the employee's employment record and the circumstance surrounding the discharge or suspension, the Arbitration Board may substitute a penalty which, in its opinion, is just and equitable. This cause shall not apply to the discharge of a probationary employee.
- 24.08 Each of the parties hereto will bear the expenses of the arbitrator appointed by it, and the parties will jointly bear the expense of the Chairperson of the Arbitration Board.
- 24.09 The Board of Arbitration shall not be authorized to make any decisions inconsistent with the provisions of this Agreement, nor to alter, modify or amend any part of this Agreement, nor to adjudicate any matter not specifically assigned to it by the notice to arbitrate specified in Step 3 of Article 23.05 hereof.
- 24.10 When the parties agree that a sole arbitrator is preferred to a panel, the references herein to a Board of Arbitration

or the Chairperson shall be deemed to mean a sole arbitrator.

24.11 Notwithstanding the arbitration procedure outlined above, a grievance after the second step in the grievance procedure may be referred to the Ontario Labour Relations Board for arbitration under the provisions of the Labour Relations Act.

ARTICLE 25 - WARNING, SUSPENSION AND DISCHARGE

25.01 Whenever possible, a steward shall attend all meetings of a disciplinary nature involving written warnings, suspensions and terminations. When a steward is not available, the Employer will make reasonable attempt to contact the union representative.

25.02 When the conduct or performance of an employee calls for a warning by the Employer, such a warning shall be noted by the immediate Supervisor. The immediate Supervisor shall inform the Steward of the warning within twenty-four (24) hours.

25.03 An employee may be suspended or discharged for proper cause by the Employer and proper cause may include:

- a. The refusal by an employee to abide by Safety Regulations;

- b. The use of illegal narcotics or alcohol, reporting for work while under the influence of such substances or the possession of such substances while on the job site;
- c. The refusal by the employee to submit to a drug test when asked to do so on reasonable grounds.

ARTICLE 26 - COLLECTIVE AGREEMENT AMENDMENTS

26.01 Pre-job Conferences

The Employer will notify the Union that a project has been awarded to the Employer following the award. Prior to the start of each project, a pre-job conference will be held to determine all site-specific issues as outlined in the Agreement. This conference may be conducted via telephone, through a scheduled meeting or by some other practical means as agreed to by the parties.

26.02 A copy of the pre-job conference report will be provided to the Employer and the Union.

ARTICLE 27 - DURATION

27.01 This Agreement shall be effective on the first (1st) day of March, two thousand and twenty-two (2022) and shall remain in effect until the twenty-eighth (28th) day of February, two thousand and twenty-five (2025) and for further periods of one (1) year unless notice shall be given by either party of the desire to delete, change, or amend any of the provisions contained herein, within the period
