The Hospital shall deduct from the second [2nd] pay period of each month from the pay due to each employee who is covered by this Agreement, a sum equal to the monthly Association dues of each employee. The Association shall notify the Hospital in writing of any changes in the amount of such dues. The Hospital shall send to the Ontario Nurse' Association monthly, by the fifteenth (15th) of the month following, its cheque for the dues so deducted, along with the list of the names of the employees and the amount of such deduction for each employee. Each list shall show the Social Insurance Number of each employee and all other changes in status which affect dues deductions or the rate of dues deducted.

EDUCATION ALLOWANCE

[see Article 19.09]

As of the day of ratification, where the Hospital considers that additional education preparation is required for a job then such preparation shall be paid for according to the following scale:

Special Courses and/or Nursing Unit
Administration \$15.00 per month

Bachelor of Science Degree (Nursing) \$80.00 per month

An employee, who is able to make claim for more than one (1) allowance, shall be entitled to the highest allowance only. There is no pyramiding of allowances.

In the calculation of an employee's basic rate of pay, the above additional allowance shall not be taken into account.

Certificate courses in nursing from a Community College will be recognized by the Hospital at the number of hours assigned by the College.

Courses outside a certificate program will be honoured if one hundred and twenty (120) hours of progressive courses have been obtained, with topics on a related concept of an increasing knowledge level, (i.e. not first level OBS, first level Emergency, and first level coronary care, unless the employee works in more than one area).

For example, in the case of obstetrics, it could be made up of several levels of fetal monitoring, newborn care, emergency deliveries, documentation courses etc. All courses must be accredited programs. Employees will be awarded the number of contact hours provided by the teaching company.

The employee is responsible for providing the documentation to qualify for this allowance. The education allowance will be paid annually in December of each year.

For purposes of claims for past related education, the Cobourg employees with the same classifications working in the same units will receive the same allowance if same or similar required education has been obtained.

All claims must be presented within two (2) months of ratification.

Proof of 7.5 hours of education annually is required to maintain this benefit.

No new employee hired after January 31, 1997 is entitled to this education allowance.

If the Hospital agrees to a job sharing arrangement pursuant to Article 20:01 of the Central Agreement, the following conditions shall apply unless otherwise agreed to by the parties.

- (c) The above schedules shall conform with the scheduling provisions of the Collective Agreement.
- (d) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required to work the number of paid holidays that a full time employee would be required to work.
- (e) Each job sharer may exchange shifts with her or his partner as well as other employees as provided by the Collective Agreement.
- (f) The employees involved in job sharing are entitled to all the terms of the part time collective agreement except those which are modified as follows:

Schedules will conform with Articles F and H of the Collective Agreement which set out scheduling.
- (g) Total hours worked by the job sharers shall equal one (1) full-time position. Job sharers will have the option of determining between themselves which partner will work on a scheduled tour. However, all scheduled tours must be covered. Such schedules will not be unilaterally imposed or changed by the Employer, but once the schedules are posted they will not be changed without the permission of the Program Director in the area concerned. Such permission will not be unreasonably withheld.
- (h) Employees will be granted at least five (5) consecutive days off over either Christmas or New Year's. When one or both job sharers work over Christmas, neither can be required to work over New Year's and vice versa unless mutually agreed otherwise. Where both job sharers request to work Christmas or New Year's and a conflict exists, then seniority shall be the deciding factor.

i) It is expected that both job sharers will cover each other's incidental illnesses and vacation. If, because of unavoidable circumstances, one cannot cover the other, the unit supervisor must be notified to book coverage. Job sharers are not required to cover for their partner in the case of prolonged or extended absences. Job sharers shall be offered additional unscheduled tours only if they have made their availability known. It is understood that they may only make themselves available on tours when neither job share partner is scheduled and this would not result in premium payment.

ii) Vacation, Maternity Leave and other Leaves pursuant to Article 11 of the Central Agreement:

In the event that one member of the job sharing arrangement goes on any of the above leaves of absence exceeding thirty (30) days, the remaining partner has the option of covering all of the absent partner's shifts for the duration of the absence. If the employee is unable to cover the entire leave of absence she or he must inform the manager of her or his intentions to cover all of the absent partner's shifts at least two (2) weeks prior to the posting of each schedule. If the employee cannot cover for her or his partner, the vacancy will be offered to the most senior regular part time employee. Job sharers are not required to cover for their partner in the case of prolonged or extended absences.

Implementation

(j) Where the job sharing arrangement arises out of the filling of a vacant full time position, both job sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.

(k) An incumbent full time employee wishing to share her or his position, may do so without having her or his half of the position posted. The other half of the job sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.

(l) If one of the job sharers leaves the arrangement her or his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full time position and be posted as such. The remaining employee will have the option of continuing the full time position or reverting to her or his former position. If she or he does not continue full time, the position must be posted according to the collective agreement.

(m) Discontinuation

Either party may discontinue the job sharing arrangement with ninety (90) days' notice. Upon receipt of such notice a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

H.7 Standby

- (a)
 - i) The Hospital will notify the Local President or designate prior to initiating ongoing standby assignments on any unit.
 - ii) Scheduled standby assignments will be distributed equitably amongst the employees in any unit utilizing standby.
- (b) Standby assignments shall be posted at the same time as the tours of duty schedules. Employees shall be permitted to exchange their standby assignments.
- (c)
 - i) When a full-time or part-time employee is scheduled for standby on a weekend, they are considered to be working the weekend for the purpose of scheduling. This scheduling practice shall not result in premium pay for consecutive days.
 - ii) When a part-time employee is working a combination of weekend tours and standby on the same weekend, they will receive every second [2nd] weekend off.
- (d) Employees scheduled for standby shall be provided with beepers.
- (e) The Hospital will make available appropriate sleeping room, i.e., a lounge for employees scheduled for standby.

H.8

Extended Tours

- (a) With the approval of the Association, extended tours may be instituted by the Hospital when eighty (80%) percent of the employees in a particular unit have so indicated by secret ballot. Employees not in favour of extended tours shall be fitted into the schedule, based on a normal tour.
- (b) Extended tours may be discontinued at any time after the expiry of the initial trial period by the Hospital or if at least eighty percent (80%) of the full-time employees involved indicate by secret ballot vote that they no longer wish to work extended tours.
- (c) When extended tours are to be implemented they shall be introduced on a trial basis for a period of at least six (6) months.
- (d) An employee shall not be required to work more than three (3) consecutive tours, unless otherwise mutually agreed. An employee shall be paid a premium rate of pay, as per Article 14 of the Central document, for a fourth (4th) subsequent and consecutive day of work until a day off is granted.
- (e) Where a combination of extended tours and normal tours exist in the same unit, employees shall be granted a minimum of every second [2nd] weekend off, which shall consist of fifty-six (56) consecutive hours off.
- (f) Employees who work extended tours will have a minimum of every second [2nd] weekend off. Where employees work extended tours on a schedule where they are off every [2nd] second weekend, these weekends off will consist of a minimum of three (3) consecutive days off. Note that for the purposes of the above article, extended tours refer to twelve (12) hour tours only.

An employee working extended tours shall receive premium payment as defined in the Central Agreement for all hours worked on a third and subsequent weekend save and except where:

- i) Such weekend has been worked to satisfy specific days off requested by such employee; or
 - ii) Such employee has requested weekend work; or
 - iii) Such weekend is worked as the result of an exchange of shifts with another employee.
- (g) All employees shall receive at least five (5) consecutive days off or more at Christmas or New Year's, except in areas which normally are not scheduled to work on weekends or paid holidays.

Time off at Christmas shall include December 24th, 25th, and 26th. Time off at New Year's shall include December 31st, January 1st, unless otherwise mutually agreed.

Procedure: Requests must be submitted by March 15th.
The Hospital will develop a summer schedule.

Vacancies will be filled.

Individual days for vacation will be considered as part of first requests and may be granted based upon operational requirements. If it is critical to have individual days off for vacation, the days should be requested as part of the vacation request.

During the summer time (June, July, August), twelve (12) hour shift replacement will be replaced by staff willing to work the twelve (12) hour shift. The shift shall not be divided into an eight (8) hour shift and a four (4) hour shift.

GUIDELINES FOR SELF SCHEDULING

Role of Facilitator

(These guidelines are for information purposes only and do not form part of the collective agreement.)

Status

The self-scheduling facilitators will be staff nurses and not formal unit leaders (i.e. Team Leaders/Directors).

Appointment

The self-scheduling facilitators may be volunteers and/or elected, or may be appointed by the Team Leader or Program Director. There will be one person appointed for each part time unit and one person for each full time unit.

Term

The self-scheduling facilitators will serve for a six- (6) month period on a rotating basis.

Responsibilities:

- (a) To oversee the scheduling process in conjunction with the Program Director or designate and to monitor the census and needs column to ensure accuracy.
- (b) To ensure that each priority group follows correct guidelines.
- (c) To keep the Program Director/Team Leader apprised of any concerns or unresolved self-scheduling problems.
- (d) To prepare the scheduling roster, according to the staffing requirements of the unit, the dates on which different priority groups can select their preferred schedule and the dates on which the schedule will be finalized.
- (e) To ensure that staff are kept well advised of progress/problems with the self scheduling process through the use of a self scheduling communication book, e-mails, meetings etc.
- (f) To collaborate with the Program Director, other Facilitators and Staff in developing a new staff member's schedule for the purposes of orientation and buddying for a period of time to be determined by the Program Director. There will also be collaboration with the Program Director with respect to the manager's right to evaluate performance of staff members.

OPERATIONAL GUIDELINES

1. All full and/or part time staff will be randomly assigned to one (1) of three (3) or four (4) priority groups i.e. groups A, B, C, D. There will be equitable distribution of senior and junior nurses to the groups. Part time nurses will be equitably assigned throughout the groups. The Program Director in conjunction with the facilitator will determine the size of the groups and members of each group.
2. A four- (4) or eight- (8) week rotation will be used.
3. All schedule selections will begin approximately six (6) or eight (8) weeks before the schedule is posted, dependent on the length of schedule being used.
4. The Program Director will keep the self-scheduling facilitators apprised to the number of staff required for each shift. The number of staff required for each shift will be included at the bottom of each working schedule. When filling in the schedule, staff is not to exceed the total number of staff required on any given tour based upon unit census.
5. Each group will be given a one- (1) week interval to complete their schedule. Individuals from other priority groups must not fill in their schedules until the designated time for their particular group. The one-week interval gives each individual the opportunity to review their schedule and make any changes within that time frame. A designated person may complete another staff member's selection in their absence. This designated person is then asked to initial the scheduled shifts.
6. The number of available day shifts will be divided up evenly. The maximum number of day shifts that each individual nurse is allowed to sign up for will be posted with the schedule. The number will be adjusted with each schedule as required.
7. Group A will have first choice in scheduling during month one (1) ; Group B will schedule first during month two (2) etc.

Scheduling will be completed in the following order:

Schedule month 1	2	3	4
Group A	B	C	D
B	C	D	A
C	D	A	B
D	A	B	C

8. In keeping with the philosophy of self-scheduling, the facilitators will not make changes in the schedule without consulting the individuals involved. This puts the onus of responsibility on the staff to demonstrate flexibility, approachability and honesty in scheduling themselves. The self-scheduling facilitator(s) will contact individuals who incorrectly complete their schedule or who do not follow the guidelines.
9. All schedules will be completed in pencil. All schedules will be photocopied by the facilitators after each time frame has been completed.

10. It is up to the full time staff to keep track of lieu days for the statutory holidays that are owing to them. Staff who are scheduled off for the paid holiday should indicate this by marking the appropriate code on the holiday and by counting the stat as 7.5 hours.
11. It is the responsibility of the nurses scheduling to recheck the number at the bottom of the schedule before putting in their time. After entering their schedule staff are responsible for adjusting the numbers at the bottom of the working schedule.
12. If staff encounter problems (i.e. too many/few staff on a shift) or if staff can see a scheduling alternative that can provide scheduling coverage (i.e. junior and senior ratio), it is up to the staff to negotiate with your colleagues.
13. Staff shall ensure that there are a minimum number of skilled nurses working each shift (this may vary from unit to unit). The number of skilled nurses will be located on the bottom of the schedule adjacent to the needs identification. The Team Leader will assign the charge duty.
14. Vacation time and requests will be entered on the schedule by the Staffing Clerk prior to each schedule posting for staff to schedule. If vacation is scheduled for a nurse during a scheduling period, her hours will be reduced by 25% for each week taken off for vacation (part time staff only).
15. Existing shift exchange processes will be followed. Changes must be made after the final schedule has been posted.
16. Availability for Casual hours will follow the same process that currently exists.
17. The Program Director will be responsible for finalizing and approving the schedule prior to posting.
18. All scheduling regulations of the Collective Agreement will be adhered to.
19. Job Sharers are considered full time with one vote.
