E-3 Vacations may be taken at any time of the year subject to the approval of the Director of Nursing or designate. Vacations shall not be unreasonably withheld.

F-1 Scheduling Provisions for Extended Tours - 11.25 Hour Tours

(a) Tour schedules will be posted at least three (3) weeks in advance and shall cover a six (6) week period. Copies of schedules will be provided to the Union upon request.

(b) Full-time employees, who work seven (7) extended tours on a bi-weekly pay period basis, will bank three and three-quarters (3.75) hours of lieu time for each such period which may be taken at a mutually agreeable time following the accumulation of twenty-two and one half (22.5) hours of lieu time. However, all such lieu time must be completed prior to December 15th of each year. The Director of Nursing or designate will respond to all requests for lieu time within seven (7) days following receipt of such written request and where at least fourteen (14) days advance notice has been provided.

- (c) Employees will not be required to work more than three (3) consecutive extended tours. Any hours worked on a tour in conjunction with three (3) consecutive extended tours will be paid at the rate of time and one half.
- (d) At least twelve (12) hours will be scheduled off between shifts, at least two (2) consecutive tours will be scheduled off between shift changes and at least forty-eight (48) hours will be scheduled off following two (2) or more consecutive night tours. Unworked paid holidays, or days in lieu for worked paid holidays, may not be included in the two (2) consecutive tours off between shift changes or the forty-eight (48) hours following two (2) or more consecutive nights. A shorter period than two (2) consecutive tours or the forty-eight (48) hours may be agreed upon by mutual consent.
- (e) No split tours will be scheduled.

(f) Weekend - Full-time

The Hospital shall schedule each full-time employee so as to provide every second weekend off.

A full-time employee will receive premium pay in accordance with Article 14.03 for all hours worked on a second and consecutive weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or
- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
- iv) when specific nursing units have mutually agreed to do otherwise.

Weekend Part-time

In order to schedule part-time nurses up to commitment on the posted schedule, the Hospital shall schedule each part-time employee so as to provide every second weekend off where possible, but will schedule at least every third weekend off.

A part-time employee will receive premium pay in accordance with Article 14.03 for all hours worked on a third consecutive weekend, save and except where:

- i) such weekend has been worked by the employee to satisfy specific days off requested by such nurse; or
- ii) such nurse has requested weekend work; or

- iii) such weekend is worked as the result of an exchange of shifts with another employee; or
 - iv) when specific nursing units have mutually agreed to do otherwise.
- (g) For the purposes of Article F-1 (f), a weekend is defined as a minimum of sixty (60) consecutive hours off work during the period following completion of the Friday day shift until the commencement of the Monday day shift.
- (h) A request by an employee for a change in the posted shift schedule must be submitted in writing and co-signed by the employee willing to make the exchange, at least twenty-four (24) hours prior to the requested change. Such request is subject to approval by the Hospital and shall not be unreasonably denied. Such exchange shall not in any event result in premium or overtime payment by the Hospital.
- (i) An employee will not be required to change tours of duty more than once during a work week, without mutual agreement.
- (j) If the Hospital should breach the scheduling provisions in Article F-1 (c), (d), or (e), premium pay in accordance with Article 14.03 will be paid to the employee for all hours worked on that shift, except where such work was requested by the nurse.
- (k) Part-time Scheduling
- i) The Hospital agrees to schedule regular part-time employees according to their commitment on the posted schedule in that unit as per Article F-4.
 - ii) Where extra tours become available, they will be offered on the basis of seniority to regular part-time employees provided that no nurse will exceed her commitment as a result of being offered such extra tours where there are regular part-time employees who have not been offered their commitment of shifts.
 - iii) Where all regular part-time employees have been given the opportunity to work up to their committed tours in that pay period, extra tours will then be offered to regular part-time employees on the basis of seniority.
 - iv) There is no commitment on the Hospital to offer any of these shifts in this manner to employees where premium payment is required, unless applicable to all part-time employees involved.
 - v) Where no regular part-time employee is willing to perform the available work, the tour will be offered to casual part-time employees on the basis of seniority.

- (l) The employee must request a holiday, levelling hours or time in lieu, in writing, at least seventy-two (72) hours in advance of the requested day where possible. Furthermore, once the time off has been approved, the employee must provide at least twenty-four (24) hours advance notice where the employee cancels the scheduled time off.

F-2 7.5 Hour Tours

If the Hospital wishes to introduce a 7.5 hour tour, the parties will meet to discuss implementation and to negotiate the appropriate scheduling regulations.

F-3 STANDBY

- (a) The Hospital shall endeavour to schedule standby assignments equitably.
- (b) Standby shall be assigned on the schedule at the time of posting.
- (c) The Hospital shall endeavour to equitably distribute standby duty for paid holidays and long weekends on a rotating basis.
- (d) A nurse will not be scheduled for standby on a scheduled day off.

F-4 Regular Part-time Commitment

A regular part-time employee must make the following commitment to be available for work on a regular pre-determined basis as referred to in Article 2.04:

- (a) to be available to work one (1) weekend in two (2);
- (b) to be available to work days and nights;
- (c) to be available to work a minimum of four (4) extended tours, or forty-five (45) hours, in a pay period except over the Christmas/New Year's period; and
- (d) to be available to work as scheduled over the Christmas/New Year's period, subject to Article F-6.

The commitment made by a regular part-time employee and specified herein is not a guarantee that the nurse will be scheduled to work according to this commitment nor is it a restriction on the nurse as to the maximum time worked.

Failure of a regular part-time employee to continue to meet all of the above commitment requirements will result in such employee being classified as a casual employee.

An employee wishing to change her/his employment status from full-time or regular part-time to casual must provide the employer with a minimum of two (2) weeks notice and must do so at the end of a pay period.

F-5

Introduction and Discontinuance of Extended Tours

- (a) Extended tours shall be introduced into any unit when:
 - i) eighty percent (80%) of the employees in the unit so indicate by secret ballot; and
 - ii) the Hospital agrees to implement extended tours, such agreement shall not be withheld in an unreasonably arbitrary manner.
- (b) Extended tours may be discontinued in any unit when:
 - i) sixty percent (60%) of the nurses in the unit so indicate by secret ballot; or
 - ii) the Hospital because of:
 - A) adverse affects on patient care;
 - B) inability to provide a workable staffing schedule, states its intention to discontinue extended tours; or
 - iii) the Hospital wishes to do so for other reasons which are neither unreasonable nor arbitrary.
- (c) When notice of discontinuation is given by either party in accordance with paragraph (b) above:
 - i) the parties shall meet, within two (2) weeks of the giving of notice, to review the request for discontinuation; and
 - ii) where it is determined that extended tours will be discontinued, affected employees shall be given sixty (60) days notice before the schedules are so amended.

F-6

Christmas/New Year's

Full-time and part-time employees shall be scheduled off work for not less than five (5) consecutive days at either Christmas or New Year's, unless the employee requests otherwise.

Time off at Christmas shall include the day tour on December 24, December 25 and the day tour on December 26 and time off at New Year's shall include the day tour on December 31, January 1 and the day tour on January 2.

Requests for time off during the Christmas/New Year's period shall be submitted by October 15 and the shift schedule shall be posted by November 15. The Hospital will endeavour to have employees alternate Christmas and New Year's time off on a yearly basis.

The scheduling provisions found in Article F-1 may be waived between December 15 and January 15 to provide for Christmas and New Year's scheduling.

F-7 For the purposes of shift premium, Article 14.10:

(a) afternoon shift hours will be 1500 - 2300.

(b) night shift hours will be 2300 - 0700.

F-8 Daylight Saving Time

Actual hours worked on change over to/from Daylight Saving Time will be the hours paid to the employee.

F-9 In accordance with Article 14.09, where a full-time employee chooses equivalent time off in lieu of payment for overtime, Article F-1 (b) will apply. Where a regular part-time employee chooses equivalent time off, such time off must be taken within ninety (90) days following the worked overtime at a mutually agreed time or the lieu time will be paid out to the employee.

F-10 An error in the above mechanism for shift distribution will be remedied by offering the affected nurse a shift as an extra at a mutually agreed time. Such shift will not result in premium pay. The affected nurse working as an extra will not be assigned as a replacement if an absence subsequently arises on that shift which requires a call-in replacement of a regular part-time nurse.

ARTICLE G - SENIORITY

G-1 The seniority list for employees (as at December 31 and June 30) as provided in Article 10.02 will be provided to the Labour Relations Officer, the Bargaining Unit President and a copy will be posted on the Union's bulletin board space by February 15 and August 15 of each year respectively.

ARTICLE H - BULLETIN BOARDS

H-1 The Hospital will provide a bulletin board for the posting of notices related to Union business.

ARTICLE I - LEAVE OF ABSENCE FOR UNION BUSINESS

I-1 Leave of absence for Union business shall be given without pay, provided that:

(a) adequate notice in writing is given to the Hospital; and

(b) the employer will allow one (1) employee to be absent at the same time, however, the employer will endeavour to allow two (2) employees to be absent at the same time if so requested.

- (c) A bargaining unit member who is on a scheduled day off on a day that she/he is required to attend Union functions will, if she/he so requests and where possible, be granted an alternate day off without pay at a mutually agreeable time. The original scheduled day off will then be treated as a leave of absence for Union business under 11.02.

I-2 Local Coordinator Leave

The Hospital agrees to grant leaves of absence, without pay, to nurses elected to the position of Local Co-ordinator. Subject to reasonable notice, it is understood and agreed that a Local Co-ordinator shall be granted such leave(s) as she or he may require fulfilling the duties of the position.

ARTICLE J - PAYROLL DEPOSIT

- J-1 An employee's earnings will be deposited by the Hospital in its account at the financial institution by 0900 hours on Friday of the pay week. An employee's pay stub (an itemized statement) will be distributed to each employee on Friday of the pay week.

ARTICLE K - PRE-PAID LEAVE PLAN

- K-1 One (1) employee may be absent from the Hospital on pre-paid leave at any one time.

ARTICLE L - JOB SHARING

- L-1 If the Hospital agrees to a job sharing arrangement pursuant to Article 20.01 of the Central Agreement, the following conditions shall apply unless otherwise agreed by the parties:
 - (a) Job sharing requests with regard to full-time positions shall be considered on an individual basis.
 - (b) Total hours worked by the job sharers shall equal one (1) full-time position. The division of these hours on the schedule shall be determined by mutual agreement between the two (2) employees and the Supervisor of the Unit.
 - (c) The above schedules shall conform with the full-time scheduling provisions of the collective agreement.
 - (d) Each job sharer may exchange shifts with her/his partner, as well as with other employees as provided by the Collective Agreement.
 - (e) The job sharers involved will have the right to determine which partner works on scheduled paid holidays and job sharers shall only be required

to work the number of paid holidays that a full-time employee would be required to work.

(f) Coverage:

- i) It is expected that both job sharers will cover each other's incidental illnesses. If, because of unavoidable circumstances, one cannot cover the other, the Supervisor must be notified to book coverage. Job sharers are not required to cover their partner in the case of prolonged or extended absences.
- ii) Vacation, Maternity Leave and other leaves pursuant to Article 11 of the Central Agreement:

In the event that one member of the job-sharing arrangement goes on any of the above leaves of absence, the coverage will be negotiated with the unit supervisor, but it is hoped that the remaining member of the position would be prepared to cover the leave of absence as much as possible.

Implementation:

- (g) Where the job-sharing arrangement arises out of the filling of a vacant full-time position, both job-sharing positions will be posted and selection will be based on the criteria set out in the Collective Agreement.
- (h) Any incumbent full-time employee wishing to share her/his position, may do so without having her/his half of the position posted. The other half of the job-sharing position will be posted and selection will be made on the criteria set out in the Collective Agreement.
- (i) If one of the job sharers leaves the arrangement, her/his position will be posted. If there is no successful applicant to the position, the shared position must revert to a full-time position. The remaining employee will have the option of continuing the full-time position or reverting to a part-time position for which she/he is qualified. If she/he does not continue full-time, the position must be posted as a full-time position in accordance with the Collective Agreement.

Discontinuation:

Either party may discontinue the job-sharing arrangement with ninety (90) days notice. Upon receipt of such notice, a meeting shall be held between the parties within fifteen (15) days to discuss the discontinuation. It is understood and agreed that such discontinuation shall not be unreasonable or arbitrary.

ARTICLE M – WORKPLACE SAFETY AND INSURANCE BOARD/MODIFIED WORK PROGRAM

- M-1
- (a) The Hospital will notify the President (Contact Person) of the Local Nurses' Association of the names of all employees off work due to a work related injury.
 - (b) Prior to any employee returning to work on a modified work programme, the Hospital will notify and meet with the employee, a member of the local executive and a staff representative of the Ontario Nurses' Association, to discuss the circumstances surrounding the employee's return to suitable work.
 - (c) The Hospital agrees to provide the employee with a copy of the Workplace Safety and Insurance Board (WSIB) Form 7 at the same time as it is sent to the Board.

M-2 Modified Work/Return to Work Programs

The Hospital and the Union recognize the purpose of modified work/return to work programs, is to provide fair and consistent practices for accommodating nurses who have been ill, injured or permanently disabled, to enable their early and safe return to work.

The parties undertake to provide safe and meaningful employment for both permanently or temporarily disabled nurses based on the following principles:

1. A nurse has the right to employment following an injury or illness if the Employee is able to perform either the essential duties of their pre-injury/illness job or any other suitable modified work.
2. A nurse participating in this program will be paid the applicable hourly rate in accordance with the Collective Agreement.
3. A nurse with a disability has the right to have the work or workplace modified to accommodate their needs in order to facilitate an early and safe return to work to their pre-injury/illness job or other suitable work.

Every reasonable attempt will be made to offer alternative work that is comparable in nature and salary to the pre-injury/illness employment.
5. In order to return a worker with a disability to her/his pre-injury/illness job, appropriate accommodation may include, but is not limited to modifications to the job or work station, reorganization of the work, provision of additional staff and/or retraining of the worker in order to perform the essential duties of the pre-injury/illness job or alternative suitable work.

ARTICLE N - MISCELLANEOUS

N-1 The Hospital will continue its policy of providing free parking for the employees and access to free electrical plug-in outlets (during the months of December through to March) for the employees.

Prior to any change in this rate to reflect changes in the costs of providing parking services, the proposed changes will be discussed at the Hospital/Union Committee. In the event the Hospital changes the rate, the Union has the right to grieve.

N-2 **Notification to Unsuccessful Job Applicants**

The parties agree that any unsuccessful candidate for an ONA job posting will be notified, in writing, within one (1) week of the decision being made and prior to the posting of the name of the successful candidate.

The Employer agrees to have in place explicit policies and procedures to deal with violence. The policy will address the prevention of violence, the management of violent situations, provision of legal counsel and support to employees who have faced violence. The policies and procedures shall be part of the employee's health and safety policy and written copies shall be provided to each employee. Prior to implementing any changes to these policies, the employer agrees to consult with the Union.

7. Support and Counselling

The Employer and the Union recognize that, where preventative measures have failed to prevent violent incidents, counselling and support must be available to help victims recover from such incidents.

8. Damage to Personal Property

The Hospital will consider requests for reimbursement for damages incurred to the nurse's personal property, such as eyeglasses, ripped uniforms, personal clothing, as a result of being assaulted while performing his/her work.

Four (4) Hour Tours

3. The Hospital does not currently expect that there will be a need to introduce four (4) hour tours elsewhere in the Hospital. The parties agree that, should there be a need to consider the introduction of four (4) hour tours elsewhere in the Hospital, the parties shall meet to discuss the rationale of this and to discuss the implementation of this.
