**Brockville Psychiatric Hospital
A Division of the Royal Ottawa Health Care Group
(hereinafter referred to as the Employer)**

And

**Ontario Nurses' Association
(hereinafter referred to as ONA)**

Further to the Ontario Labour Board Bill 136 hearing January 15, 2001 and subsequent ONA vote the following positions remained in dispute.

Employee Health/Infection Control Nurse
Head Nurse Ward B
Head Nurse Ward E
Head Nurse Ward F
Team Leader ACT Brockville
Team Leader ACT Dual Diagnosis
Team Leader ACT Cornwall
Team Leader ACT Casselman

The parties agree, on a without precedent and without prejudice basis, to settle the outstanding dispute regarding these positions as follows:

1. The position of Employee Health/Infection Control Nurse is excluded from the bargaining unit.
2. The organizational structure of the Brockville Psychiatric Hospital is entering a period of transition that will affect the future reporting relationships and status of these disputed positions. Specifically, the Hospital intends that the Head Nurse and Team Leader ACT positions will be converted to management positions some time in the future, such that those occupying these positions will have authority to hire, fire and discipline or make affective recommendations concerning same. These positions will not perform work of the bargaining unit except as permitted by the ONA Central Agreement.
3. All of the disputed positions noted above (except the Employee Health/Infection Control Nurse) will be in the bargaining unit until such time as the Employer, these classifications to management positions as noted above, at which time they will be excluded from the bargaining unit.

4. Prior to converting to a Nursing Management position, the parties agree to follow the process outlined below:
- (1) the Employer shall notify the LRO / ONA and the Nurse that a specific 'disputed' position is being converted to a nursing management position.
 - (2) the Employer will offer to the Nurse who is the current incumbent of the 'disputed' position an opportunity to accept permanent full-time employment in the nursing management position.
 - (3) should the Nurse accept the Employer's offer of the permanent full-time nursing management position she/he shall cease to be a member of ONA.
5. The Employer shall initiate recruitment activity to fill the nursing management position on permanent full-time basis should the Nurse decline the Employer's offer in 4(c) as per the following process:
- (1) The Nurse shall be appointed to the nursing management position on a temporary basis, pending completion of recruitment for the nursing management position.
 - (2) Upon appointment of an incumbent to the permanent full-time nursing management position, the Nurse shall be offered a position in the bargaining unit with similar hours and shifts. No lay-off of any ONA member shall result from this process.
 - (3) For the purposes of seniority in the bargaining unit, ONA agrees to recognize the service of the Nurse who occupies the nursing management position on a temporary basis, between the date of the commencement of the temporary assignment in the management position and the date of reassignment to a position in the bargaining unit.

MEMORANDUM OF AGREEMENT

BETWEEN

ROYAL OTTAWA HEALTH CARE GROUP ("ROHCG")

and

BROCKVILLE PSYCHIATRIC HOSPITAL, A DIVISION OF ROHCG ("BPH")

and

ONTARIO NURSES ASSOCIATION

WHEREAS:

- (a) Registered nursing employees are employed by the ROHCG and by BPH (collectively referred to as "Nursing Employees" and the "Hospitals");
- (b) ONA is the certified bargaining agent for nursing employees of BPH ("BPH Employees");
- (c) ONA is the certified bargaining agent for nursing employees of ROHCG ("ROH Employees");
- (d) The Forensic Programs at the ROHCG and BPH have been functionally integrated at the management level since March 2002 and the Board of Trustees has approved that these Forensic Programs will become a separate division of the ROHCG effective on or about April 1, 2004 with the main campus at BPH and the satellite campus at the Carling Avenue site of the ROHCG (the "Integrated Forensic Program");
- (e) The parties wish to implement "secondment agreements" for the temporary movement of employees from one campus to the other for the purposes of Academics, research and orientation;
- (f) The Nursing employees to be seconded must consent to the assignment and has the right to refuse any such secondment request.

IT IS AGREED THAT:

1. It is the understanding and expectation of the parties that there will be a limited number of occasions where a secondment of employees from one Hospital to the other shall be made and the parties agree that this Agreement is not intended to replace the normal job posting or employee recruitment process.
2. The Home Campus for employees who work at or are administered from BPH is the Brockville Psychiatric Hospital in the City of Brockville and the Home Campus of ROH Employees is the Carling Avenue site of the ROHCG located in the City of Ottawa.
3. Nursing employees may, from time to time, be seconded duties in the Integrated Forensic Program at the campus which is not their Home Campus. Such secondment is permitted subject to all of the following terms and conditions:
 - (a) The secondment of Nursing employees to a campus will not result in the layoff or reduction in regular hours of work of any Nursing employee at either campus.
 - (b) The secondment of Nursing employees to a campus will not be made if any Nursing employee for whom that campus is his Home Campus is currently on lay-off status and would otherwise be recalled to perform the work to be seconded.
 - (c) The secondment of Nursing employees will be for reasons of research, educational, and orientation or in an emergency situation.
 - (d) A secondment agreement shall be in writing and shall set out the duration of the secondment as being for a specific period of time and, if applicable, a specified number of days per week. The secondment agreement may be renewable with the agreement of the employee, the Union and the Hospital.
 - (e) A secondment agreement is terminable by either the employee or the Hospital on no less than two weeks written notice to the other and the Union.

- (f) Whenever the Hospital approaches an employee with an offer of a secondment, the Hospital shall also notify that employee's bargaining agent. The secondment agreement shall be forwarded to the seconded employee's bargaining agent for execution by the employee and the union. The union shall not withhold its consent to the secondment provided it meets all of the terms of this Memorandum of Agreement. Notwithstanding the foregoing, where an immediate secondment is required as a result of an unforeseeable emergency, the drafting of the secondment agreement and the consent of the union may occur after the actual secondment has occurred. In these circumstances, the agreement shall be drafted and delivered to the employee and Union within 48 hours of the commencement of the secondment.
- (g) While on secondment the seconded employee shall be subject to all of the terms and conditions of the collective agreement in place at his or her Home Campus and shall accrue no separate seniority or other collective agreement rights at the other campus. Union dues shall continue to be paid to and collected by the bargaining agent at the Home Campus.
- (h) Employees on secondment shall be compensated for necessary travel mileage. At the discretion of the Hospital, a hospital vehicle may be provided for the purpose of such travel. When employees use their own vehicle, they will be reimbursed for mileage at the current hospital rate for the distance between their home campus and the seconded campus. In the event the seconded employee is unable to return home due to unsafe travel conditions the Administrative Director will, under his discretion, advise of appropriate and reasonable accommodation provisions.
- (i) It is the expectation of the parties that employees on secondment shall not have a longer working day nor be required to leave home to travel to their work location any earlier or return home any later than would be the case if they were not on secondment. As such, the schedules of seconded employees shall be such that additional travel time to and from home, if any, for employees on secondment to the other campus shall be part of the employee's regular working hours and compensated according to the collective agreement at the Home Campus of the employee.

- (i) In the event a secondment opportunity exists where it is evident that an expression of interest process is required, Article 10.06 of the ONA Central Agreement will apply.

The application of this Agreement and disputes arising from it may be subject to the grievance and arbitration provisions of the applicable collective agreement.
