PURPOSE OF AGREEMENT

1.01 The purpose of this Agreement is to maintain harmonious and mutually beneficial relationships between the Employer, the Employees and the Alliance, to set forth certain terms and conditions of employment relating to pay, hours of work, employee benefits and general working conditions affecting employees covered by this Agreement and to ensure that all reasonable measures are provided for the safety and occupational health of the employees.

1.02 The parties to this Agreement share a desire to improve the quality, to promote well-being and increase the productivity of the employees of the Mint. Accordingly, the parties are determined to establish, within the framework provided by law, an effective working relationship at all levels in which members of the bargaining unit are employed.

ARTICLE 2

INTERPRETATION AND DEFINITIONS

2.01 For the purpose of this Agreement:

(a) "Alliance" means the Public Service Alliance of Canada;

(b) "Allowance" means compensation payable for the performance of special or additional duties, including but not restricted to acting pay at a higher level, meal allowances, or taxi allowances;

(c) "Component" means the Government Services Union of the Public Service Alliance of Canada;

(d) "Continuous employment" unless otherwise stated in this Agreement means:
(i) for the purpose of determining paid leave entitlement, continuous employment includes uninterrupted service in the Canadian Forces, the Royal Canadian Mounted Police, other Crown Corporations or the Federal Public Service. The foregoing is effective only if the employee elected to count such service as pensionable service pursuant to Section 25 of the Public Service Superannuation Act. For purposes of determining severance pay entitlements, continuous employment includes a minimum of 10 years of uninterrupted service including service with employers that have reciprocal transfer agreements with the Public Service;

(ii) uninterrupted employment in the Royal Canadian Mint will include all service in any of the aforementioned providing there is no break in service of more than three (3) calendar months. Where an employee has been laid off in excess of three (3) months and recalled under the provision of Clause 38.10 his continuous employment shall include his service prior to lay-off;

(Month — means from a given date up to but not including the corresponding date in the next following month, e.g. January 20 to February 19 inclusive.)

(iii) with reference to an employee who was subject to the Public Service Terms and Conditions of Employment Regulations and becomes subject to the Collective Agreement, his prior employment in the Public Service shall, subject to Sections 3 and 4 of the Public Service Terms and Conditions of Employment Regulations, constitute continuous employment;

(e) "Daily rate of pay" means:

(i) in the case of an employee who is paid by the hour, the employee's hourly rate of pay times his normal number of hours of work per day; and

(ii) in the case of an employee who is paid an annual salary, his annual rate of pay divided by 260.88;

(f) "Day of rest" in relation to an employee means a day, other than a holiday, on which that employee is not ordinarily required to perform the duties of his position other than by reason of his being on leave of absence;

(g) "Employee" means a person of either sex who is a member of the bargaining unit as defined in Article 7;
(h) "Employer" means the Royal Canadian Mint;

(i) "Grand-fathered employee" means for the purposes of Article 22, an employee who was a full-time employee and member of the bargaining unit on April 19, 1999 who will retain their normal work week of Monday to Friday and Saturday and Sunday as their days of rest.

(j) "Holiday" means the twenty-four (24) hour period commencing at 12:01 a.m. on a day designated as a paid holiday in this Agreement;

(k) "Lay-off" means the termination of employment of an employee because of lack of work or because of the discontinuance of a function;

(l) "Leave of absence" means permission to be absent from duty;

(m) "Leave year" for the purpose of calculating and granting vacation leave, the leave year shall be January 1 to December 31;

(n) "Locals" means the National Capital Local (70024) and the Winnipeg Local (50057) of the Government Services Union;

(o) "Membership dues" means the dues established pursuant to the constitution of the Alliance as the dues payable by its members as a consequence of their membership in the Alliance, and shall not include any initiation fee, insurance premium or special levy;

(p) "Probationary period" means the first seven hundred and twenty (720) hours (excluding overtime) in which the employee is in full-time attendance at the Royal Canadian Mint except for employees who have been promoted or changed jobs during this initial period. Such employees will be required to serve a trial period equivalent to the greater of five hundred and twenty (520) hours or the number of worked hours remaining in their probationary period at the time of promotion or change of jobs.

On completion of his probationary period, the employee shall be placed on the service list and shall be credited with service retroactive to ninety (90) worked days from the date of completion of his probationary period. In the case of employees who have been promoted or changed jobs during their probationary period, they shall be credited retroactively, on the successful completion of their trial period, with service equal to the total number of worked days since their initial appointment. In the event that an employee is deemed to be unsuitable for the position into which he was promoted or changed to, he will be considered to be rejected on probation.
The termination of a probationary employee shall be at the discretion of the Employer provided that such termination is not arbitrary, discriminatory or in bad faith.

(q) "Spouse" will be interpreted to include common-law spouse. A common-law spouse relationship exists when, for a continuous period of at least one year, an employee has lived with a person, publicly represented that person to be his/her spouse and continues to live with the person as if that person were his/her spouse.

(r) "Trial period" means the amount of time referred to in Articles 38.08 and 38.17;

(s) "Weekly rate of pay" means an employee's daily rate of pay multiplied by five (5);

(t) "Worked days" means a period during which the employee is in full-time attendance at the Mint. Lay-offs and authorized or unauthorized leave of absence from the Mint shall not be considered as worked days.

2.02 Except as otherwise provided for in this Agreement, expressions used in this Agreement, if defined in the Canada Labour Code, have the same meaning as given to them in that Code.

The Mint shall meet with the Union in order to discuss the inclusion or exclusion of this position in the bargaining unit.

(a) an employee's employment is terminated by his death; or

(b) an employee's employment is terminated by lay-off instituted any time after he has had one (1) year or more of service.

15.02 When an employee who is in receipt of acting pay is granted leave with pay, he is entitled during his period of leave to receive the allowance if the special
or extra duties in respect of which he is paid the allowance were assigned to him on a continuing basis for a period of one (1) or more months prior to the period of leave.

15.03  Leave balances (special leave, sick leave and vacation leave) will be updated in the Leave and Attendance System at least every two months.

15.04  If at the end of a leave year an employee's entitlement to vacation leave with pay includes a fractional entitlement of less or more than one-half (1/2) day, the entitlement shall be increased as follows:

   (a) to a half (1/2) day if the fractional entitlement is less than one-half (1/2) day;

   (b) to a full day if the fractional entitlement is more than one-half (1/2) day.

15.05  The credit or debit balance of all sick, vacation or special leave as reflected on an employee's leave card on December 31 shall be carried forward to January 1.

**ARTICLE 16**

**VACATION LEAVE**

**Accumulation of Vacation Leave**

16.01  An employee who has earned at least ten (10) days' pay for each calendar month shall earn vacation leave as follows:

   (a) five-sixths (5/6) of a day per month until the month in which the anniversary of his first year of continuous employment occurs (maximum two (2) weeks);

   (b) one and one quarter (1-1/4) days per month commencing with the month in which his first (1st) anniversary of continuous employment occurs (maximum three (3) weeks);

   (c) one and two-thirds (1-2/3) days per month commencing with the month in which his eighth (8th) anniversary of continuous employment occurs (maximum four (4) weeks);

   (d) two and one-twelfth (2-1/12) days per month commencing with the month in which his eighteenth (18th) anniversary of continuous employment occurs (maximum five (5) weeks);
(e) two and one-half (2-1/2) days per month commencing with the month in which his twenty-fifth (25th) anniversary of continuous employment occurs (maximum six (6) weeks).

16.02 An employee who has not received at least ten (10) days' pay for each calendar month will earn vacation leave at one-twelfth (1/12) of the rate referred to in Clause 16.01 for each calendar month for which he receives at least ten (10) days' pay. All leave granted under the provisions of Article 9 hereof, will be considered as paid days for the purpose of calculations under this Clause 16.02.

Granting of Vacation Leave
16.03 In granting vacation leave with pay to an employee, the Employer shall, subject to the operational requirements of the Mint, make every reasonable effort:

(a) not to recall an employee to duty after he has proceeded on vacation leave;

(b) (i) to grant an employee who earns two (2) weeks vacation leave at least one (1) week;

(ii) to grant an employee who earns three (3) weeks vacation leave at least two (2) consecutive weeks;

(iii) to grant an employee who earns four (4) weeks vacation leave at least three (3) consecutive weeks;

(iv) to grant an employee who earns five (5) or six (6) weeks vacation leave at least four (4) consecutive weeks;

(c) to comply with any request made in writing by an employee, in exceptional circumstances, that he be permitted to use in the following year the vacation leave earned by him in the current year only. Except in the case of the exceptional circumstances mentioned above, and for the amount of vacation leave mentioned above, employees shall take all of their vacation leave during the leave year in which it is earned;

(d) to grant the employee his vacation leave when specified by the employee if:

(i) the period of vacation leave requested is less than a week; and

(ii) the employee gives the Employer at least two (2) days advance notice for any period of less than a week of vacation leave requested.
(e) The Employer shall inform the employee, in writing, within twenty-four (24) hours after his written request has been received whether the period of vacation leave requested has been approved or not. In the event that the request is received on a Friday, the Employer will render his decision not later than the end of the day shift on the following Monday.

16.04 The Employer may for good and sufficient reason grant vacation leave on shorter notice than that provided for in Clause 16.03.

16.05 An employee earns but is not entitled to receive vacation leave with pay during his first six (6) months of continuous employment.

16.06 Where, in respect of any period of vacation leave, an employee:

(b) is granted special leave with pay because of illness in the immediate family; or

(c) is granted sick leave on production of a medical certificate;

(d) is required:

   (i) to serve on a jury; or

   (ii) by subpoena or summons to attend as a witness in any proceeding held:

       — in or under the authority of a court of justice or before a jury;
       — before a court, judge, justice, magistrate, or coroner;
       — before the Senate or House of Commons of Canada, or a Committee of the Senate or the House of Commons, otherwise than in the performance of the duties of his position;

16.07  (a) An employee who intends to take vacation leave during the months of June, July, August or September shall apply in writing for the period of vacation leave requested by the 15th of April of that year;

(b) Where it is impossible due to operational requirements to grant all employees leave for the periods that they have requested as a result of (a) above, the Employer shall grant preference to those employees having the most continuous Mint service;

(c) in returning to the place from which he was recalled if and when he resumes his vacation at some later date.

16.09  The employee shall not be considered as being on vacation leave during any period in respect of which he is entitled under Clause 16.08 to be reimbursed for reasonable expenses incurred by him.

19.04 When, during a leave year, an employee has been granted sick leave totaling seven (7) days for which he has not been required to produce a certificate from a medical practitioner, the Employer may require the employee to produce such a certificate before authorizing any additional sick leave during the same leave year.

19.05 (a) Where leave of absence without pay is authorized for any reason, and the employee returns to work upon the expiration of such leave of absence, he shall retain any unused sick leave existing at the time of commencement of leave without pay;

personal injury accidentally received in the performance of his duties, and not caused by the employee's willful misconduct;

sickness resulting from the nature of his employment; or

over-exposure to radioactivity or other hazardous conditions in the course of his employment, if the employee agrees to pay to the Employer any amount received by him for loss of income in settlement of any claim he may have in respect of such injury, sickness or exposure.

(b) Where the absence as a result of injury-on-duty is less than the applicable provincial Workplace Safety and Insurance Board/Workers’ Compensation Board waiting period, an employee may be granted injury-on-duty leave during the applicable waiting period providing the employee satisfies the Mint that he was unable to perform his duties.

20.04 Maternity Leave Without Pay

(a) An employee who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than seventeen (17) weeks after the termination date of pregnancy.

(b) Notwithstanding paragraph (a):

(i) where the employee has not yet proceeded on maternity leave without pay and her new-born child is hospitalized, or

(ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her new-born child is hospitalized,

the period of maternity leave without pay defined in paragraph (a) may be extended beyond the date falling seventeen (17) weeks after the date of termination of pregnancy by a period equal to that portion of the period of the child’s hospitalization during which the employee was not on maternity leave, to a maximum of seventeen (17) weeks.
(c) The extension described in paragraph (b) shall end not later than one hundred and four (104) weeks after the termination date of pregnancy.

(d) The Employer may require an employee to submit a medical certificate certifying pregnancy.

(e) An employee who has not commenced maternity leave without pay may elect to:

(i) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;

(ii) use her sick leave credits up to and beyond the date that her pregnancy terminates, subject to the provisions set out in Article 19, Sick leave with Pay. For purposes of this subparagraph, the terms “illness” or “injury” used in Article 19 shall include medical disability related to pregnancy.

(f) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur unless there is a valid reason why the notice cannot be given.

(g) Leave granted under this clause shall be counted for the calculation of “continuous employment” for the purpose of calculating severance pay and “service” for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

Maternity Allowance
20.05 (a) An employee who has been granted maternity leave without pay shall be paid a maternity allowance in accordance with the terms of the Supplementary Unemployment Benefit (SUB) Plan described in paragraph (c) to (i), provided that she:

(i) has completed six (6) months of continuous employment before the commencement of her maternity leave without pay;

(ii) provides the Employer with proof that she has applied for and is in receipt of pregnancy benefits pursuant to Section 22 of the Employment Insurance Act in respect of insurable employment with the Employer,

and,
(iii) has signed an agreement with the Employer stating that:

(A) she will return to work on the expiry date of her maternity leave without pay unless the return to work date is modified by the approval of another form of leave;

(B) following her return to work, as described in section (A), she will work for a period equal to the period she was in receipt of the maternity allowance;

(C) should she fail to return to work in accordance with section (A), or should she return to work but fail to work for the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the Public Service Superannuation Act, she will be indebted to the Employer for an amount determined as follows:

\[
(\text{allowance received}) \times \frac{\text{remaining period to be worked following her return to work}}{\text{total period to be worked as specified in (B)}}
\]

however, an employee whose specified period of employment expired and who is rehired by the same Employer within a period of five days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

(b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee’s return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).

(c) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:

(i) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance pregnancy benefits, ninety-three (93%) of her weekly rate of pay for each week of the waiting period, less any other monies earned during this period,
(ii) for each week that the employee receives a pregnancy benefit pursuant to Section 22 of the Employment Insurance Act, the difference between the gross weekly amount of the Employment Insurance pregnancy benefit she is eligible to receive and ninety-three (93%) of her weekly rate of pay less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which she would have been eligible if no extra monies had been earned during this period.

(d) At the employee’s request, the payment referred to in subparagraph 20.05(c) (i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of Employment Insurance pregnancy benefits.

(e) The maternity allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the Employment Insurance Act.

(f) The weekly rate of pay referred to in paragraph (c) shall be:

(i) for a full-time employee, the employee’s rate of pay on the day immediately preceding the commencement of maternity leave without pay,

(ii) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in subparagraph (i) by the fraction obtained by dividing the employee’s straight time earnings by the straight time earnings the employee would have earned working full-time during such period.

(g) The weekly rate of pay referred to in paragraph (9) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.

(h) Notwithstanding paragraph (g), and subject to subparagraph (f)(ii), if on the day immediately preceding the commencement of maternity leave without pay an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.

(i) Where an employee becomes eligible for a pay increment or pay revision while in receipt of the maternity allowance, the allowance shall be adjusted accordingly.
Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee’s deferred remuneration or severance pay.

**Special Maternity Allowance for Totally Disabled Employees**

20.06 (a) An employee who:

(i) fails to satisfy the eligibility requirement specified in subparagraph 20.05(a)(ii) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long Term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the Government Employees Compensation Act prevents her from receiving Employment Insurance pregnancy benefits,

and,

(ii) has satisfied all of the other eligibility criteria specified in paragraph 20.05(a), other than those specified in sections (A) and (B) of subparagraph 20.05(a)(iii),

shall be paid, in respect of each week of maternity allowance not received for the reason described in subparagraph (i), the difference between ninety-three percent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan or via the Government Employees Compensation Act.

(b) An employee shall be paid an allowance under this clause and under clause 20.05 for a combined period of no more than the number of weeks during which she would have been eligible for pregnancy benefits pursuant to Section 22 of the Employment Insurance Act had she not been disqualified from Employment Insurance pregnancy benefits for the reasons described in subparagraph (a)(i).

**Transitional Provisions**

20.07 If, on the date of signature of the Memorandum of Agreement modifying the provisions of this Article, an employee is currently on maternity leave without pay or has requested a period of maternity leave but has not commenced the leave, she shall upon request be entitled to the provisions of this Article. Any application must be received before the termination date of the leave period originally requested.

**Parental Leave Without Pay**

20.08 (a) Where an employee has or will have the actual care and custody of a new-born child (including the new-born child of a common-law spouse),
the employee shall, upon request, be granted parental leave without pay for a single period of up to thirty-seven (37) consecutive weeks in the fifty-two (52) week period beginning on the day on which the child is born or the day on which the child comes into the employee’s care.

(b) Where an employee commences legal proceedings under the laws of a province to adopt a child or obtains an order under the laws of a province for the adoption of a child, the employee shall, upon request, be granted parental leave without pay for a single period of up to thirty-seven (37) consecutive weeks in the fifty-two (52) week period beginning on the day on which the child comes into the employee’s care.

(c) Notwithstanding paragraphs (a) and (b):

(i) where the employee’s child is hospitalized within the period defined in the above paragraphs, and the employee has not yet proceeded on parental leave without pay,

or

(ii) where the employee has proceeded on parental leave without pay and then returns to work for all or part of the period during which his or her child is hospitalized,

the period of parental leave without pay specified in the original leave request may be extended by a period equal to that portion of the period of the child’s hospitalization during which the employee was not on parental leave. However, the extension shall end not later than one hundred and four (104) weeks after the day on which the child comes into the employee’s care.

(d) An employee who intends to request parental leave without pay shall notify the Employer at least four (4) weeks in advance of the expected date of the birth of the employee’s child (including the child of a common-law spouse), or the date the child is expected to come into the employee’s care pursuant to paragraphs (a) and (b).

(e) The Employer may:

(i) defer the commencement of parental leave without pay at the request of the employee;

(ii) grant the employee parental leave without pay with less than four (4) weeks’ notice;
require an employee to submit a birth certificate or proof of adoption of the child.

Parental leave without pay taken by a couple employed at the Royal Canadian Mint shall not exceed a total of thirty-seven (37) weeks for both individuals combined.

Leave granted under this clause shall count for the calculation of « continuous employment » for the purpose of calculating severance pay and « service » for the purpose of calculating vacation leave. Time spent on such leave shall count for pay increment purposes.

At the request of an employee and with the agreement of the Employer, the leave referred to in sub-clauses (a) and (b) may be taken in two or more periods.

Parental Allowance

20.09 (a) An employee who has been granted parental leave without pay, shall be paid a parental allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in paragraphs (c) to (i), providing he or she:

(i) has completed six (6) months of continuous employment before the commencement of parental leave without pay,

(ii) provides the Employer with proof that he or she has applied for and is in receipt of parental benefits pursuant to Section 23 of the Employment Insurance Act in respect of insurable employment with the Employer,

and

(iii) has signed an agreement with the Employer stating that:

(A) the employee will return to work on the expiry date of his/her parental leave without pay, unless the return to work date is modified by the approval of another form of leave;

(B) following his or her return to work, as described in section (A), the employee will work for a period equal to the period the employee was in receipt of the parental allowance, in addition to the period of time referred to in section 20.05 (a)(iii)(B), if applicable;

(C) should he or she fail to return to work in accordance with section (A) or should he or she return to work but fail to work
the total period specified in section (B), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in section (B), or having become disabled as defined in the Public Service Superannuation Act, he or he will be indebted to the Employer for an amount determined as follows:

\[
\text{(allowance received) } \times \text{ (remaining period to be worked following her/his return to work)}
\]

[total period to be worked as specified in (B)]

however, an employee whose specified period of employment expired and who is rehired by the same Employer within a period of five days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in section (B).

(b) For the purpose of sections (a)(iii)(B), and (C), periods of leave with pay shall count as time worked. Periods of leave without pay during the employee’s return to work will not be counted as time worked but shall interrupt the period referred to in section (a)(iii)(B), without activating the recovery provisions described in section (a)(iii)(C).

(c) Parental Allowance payments made in accordance with the SUB Plan will consist of the following:

(i) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance parental benefits, ninety-three (93%) of his/her weekly rate of pay for each week of the waiting period, less any other monies earned during this period;

(ii) other than as provided in subparagraph (iii) below, for each week in respect of which the employee receives parental benefits pursuant to Section 23 of the Employment Insurance Act, the difference between the gross weekly amount of the Employment Insurance parental benefits he or she is eligible to receive and ninety-three (93%) of his or her weekly rate of pay less any other monies earned during this period which may result in a decrease in Employment Insurance benefits to which he or she would have been eligible if no extra monies had been earned during this period;
(iii) where the employee becomes entitled to an extension of parental benefits pursuant to Subsection 12(7) of the Employment Insurance Act, the parental allowance payable under the SUB Plan described in subparagraph (ii) will be extended by the number of weeks of extended benefits which the employee receives under Subsection 12(7) of the EI Act.

(d) At the employee’s request, the payment referred to in subparagraph 20.09 (c ) (i) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of EI parental benefits.

(e) The parental allowance to which an employee is entitled is limited to that provided in paragraph (c) and an employee will not be reimbursed for any amount that he or she is required to repay pursuant to the Employment Insurance Act.

22.02 Employees, other than grand-fathered employees, as defined in Article 2, may be scheduled to work on an irregular and rotating basis. (b) to avoid excessive fluctuation in hours of work.

22.05 The Employer shall set up a master weekly shift work schedule and post it six (6) working days in advance. This schedule will cover the normal shift requirements for the work area. An employee who is required to work a shift that he was not scheduled to work shall be paid at time and one-half (1-1/2) for all unscheduled hours worked, unless his shift change was because of death, sickness or accident of another employee, in which case he shall be paid at time and one-half (1-1/2) for the first day of his unscheduled shift only and no further penalty will be paid by the Mint for any day beyond the first day that the employee works on the unscheduled shift.

(b) If operational requirements do not allow every employee who has twenty (20) or more years of Mint service to work on days, the Employer will schedule those employees on a rotational basis giving preference for day shift assignments to the most senior of those employees who have expressed the wish to be scheduled on day shifts.

Compensatory Leave

22.17 At the employee's request, overtime hours worked may be converted to annual leave credits as compensatory leave. The duration of such leave shall be equivalent to the overtime worked multiplied by the applicable overtime rate. The Employer shall grant compensatory leave at times convenient to both the employee and the Employer. The compensatory annual leave earned shall be taken during the calendar year in which it was earned but should this not be possible, it will be carried beyond eight (8) months following the end of the calendar year in which it was earned at which time such credits will be converted to cash payment.

Arbitration

Where a difference arises between the parties relating to the interpretation, application or administration of this Agreement, including any question as to whether a matter is arbitral or where an allegation is made that a term or condition of this Agreement has been violated, either of the parties may, after exhausting the grievance procedure in this Article, notify the other party in writing within fifteen (15) days of the receipt of the reply at the second step, of its desire to submit the difference or allegation to arbitration. The matter will normally be reviewed by a sole arbitrator, chosen by the parties or where the parties are unable to reach agreement, the appointment shall be made by the Minister of Labour. The process of identifying a sole arbitrator will be initiated within 10 days. Where either party wishes to refer the matter to an arbitration board, that party shall notify the other party within 15 days. The notice shall contain the name of the first party's appointee to an arbitration board. The
recipient of the notice shall, within ten (10) days, inform the other party of the name of its appointee to the arbitration board. The two appointees so selected shall, within fifteen (15) days of the appointment of the second of them, appoint a third person who shall be the chairman. If the recipient of the notice fails to appoint an arbitrator, or if the two appointees fail to agree upon a chairman within the time limit, the appointment shall be made by the Minister of Labour upon the request of either party.

The arbitration board shall hear and determine the difference or allegation and shall issue a decision and the decision is final and binding upon the parties and upon any employee affected by it. The decision of a majority is the decision of the arbitration board, but if there is no majority the decision of the chairman governs.

33.17 The Board shall not have the authority to alter or amend any of the provisions of this Agreement, or to substitute any new provisions in lieu thereof, or to render any decision contrary to the terms and provisions of this Agreement, or to increase or decrease wages, provided however that the Board may nevertheless determine whether an employee has been dismissed or suspended for other than proper cause. In which case, the Board may direct the Employer to reinstate the employee and pay to the employee a sum equal to his wages lost by reason of his dismissal or suspension.

33.18 The Employer and the Alliance shall each pay one-half (1/2) of the remuneration and expenses of the Chairman of the Board and each party shall bear its own expenses of every such arbitration.

33.19 When a party has failed to comply with any of the terms of the decision of the Board of Arbitration, either party or employee affected by the decision may, after the expiration of fourteen (14) days from the date of the release of the decision or the date provided in the decision for compliance, whichever is later, file in the office of the Registrar of the Federal Court of Canada a copy of the decision, exclusive of the reasons therefor, in the prescribed form, whereupon the decision may be entered in the same way as a judgment or order of that court and may be enforceable as such.

Training and Evaluation

33.20 (a) The parties agree to identify, develop and implement joint training for Union Representatives and management. This training will include problem-solving and conflict resolution.

(b) The parties agree that on-going or refresher training will be provided at the request of either party. The cost of this training will be borne by management.

Where two or more employees qualify and obtain the same total points, seniority will become the determining factor.

Apprenticeship Training Program

A Mint employee who is selected for an apprenticeship training program shall continue to accumulate Mint service for purposes of Article 39 and for greater certainty, shall have the right to avail himself of the bumping rights in clause 39.07. For the purposes of clause 39.07, his classification level shall be deemed to be the classification level of the position to which he was assigned prior to being accepted into the apprenticeship program.

However a new employee hired under an apprenticeship program does not accumulate Mint service for purposes of Article 39 until such time as he is confirmed as a journeyperson.

ARTICLE 48

STUDENTS

"Student" means a person in full-time attendance at a school or university who is employed at the Mint during the summer or semester breaks, or breaks given during a cooperative work term program.

The student shall be entitled to all of the conditions of the collective agreement except the provisions of Articles 16 (except Clause 16.10), 18, 19 and Clause 20.01. In lieu of vacation and other benefits as outlined in the Articles above, the student shall be paid 6% of the total pay compensation for overtime received by him during his period of employment.

ARTICLE 49
EDUCATION AND TRAINING

49.01 An employee who undertakes a training course outside his normal hours of work may, at the discretion of the Employer, be reimbursed in whole or in part for the direct expense of instruction, that is, the expenses which must be paid to complete the training, and which are not primarily of a personal character.

49.02 To be eligible to receive reimbursement, the employee must fulfill two conditions:

(a) obtain the Employer's approval for the proposed training before it commences;

(b) satisfactorily complete the training, including the passing of any final examination related to the course, or if there is no final examination, establish an excellent record of attendance.

49.03 (a) Full reimbursement of the direct expenses of instruction will be made in some circumstances, 50% in others, and in some circumstances no reimbursement. In making its decision, the Employer will consider the immediacy and the degree to which additional training can be applied to the work;

(b) Full reimbursement of the direct expenses of instruction may be approved in situations in which a specific training need in relation to the present work of an employee has been identified. Reimbursement of 50% of the direct expenses of instruction is applicable in other cases where need is less specific, or is based more on opinion than rigorous analysis. This would include situations in which the need cannot be determined precisely, where there is no immediate link between completion of training and assignment of new work to the trainee, or where training anticipates long-term general needs of the Mint;

(c) Reimbursement will not be approved for training which does not, as a minimum, relate directly to the general need of the Mint and to the reasonable career aspirations of employees.

49.04 In certain instances, the Mint may require the employee to give a written undertaking to continue his employment with the Mint for a specified period following completion of authorized training. If such an undertaking is not honoured by the employee, all or part of the costs of instruction may be recovered from monies owing the employee on termination of his employment.

49.05 Examination Leave with Pay
At the Employer's discretion, examination leave with pay may be granted to an employee for the purpose of writing an examination which takes place during the employee's scheduled hours of work, where the course of study is directly related to the employee's duties or will improve his qualifications.

ARTICLE 50

EDUCATION LEAVE WITHOUT PAY

50.01 The Employer recognizes the usefulness of education leave. Upon written application by the employee and with the approval of the Employer, an employee may be granted education leave without pay for varying periods up to four (4) months, which can be renewed by mutual agreement, to attend a recognized institution for studies in some field of education in which preparation is needed to fill his present role more adequately or to undertake studies in some field in order to provide a service which the Employer requires or is planning to provide.

50.02 As a condition of the granting of education leave without pay an employee shall give a written undertaking prior to the commencement of the leave to return to the service of the Employer for a period of not less than the period of the leave granted.

50.03 In the event that an educational leave without pay involves a reimbursement of the direct expenses of instruction, such reimbursement shall be dealt with in accordance with the provisions of Article 49, Education and Training.

50.04 Time spent on such leave shall not be counted for pay increment purposes.

ARTICLE 51

PROFESSIONAL FEES AND LICENSES

51.01 The Employer shall pay professional and/or license fees for an employee who, as a condition of employment, is required to be a member of a professional association or be licensed.

ARTICLE 52

HARASSMENT AND DISCRIMINATION
AT THE WORKPLACE
The parties to this Agreement recognize that all employees should be treated fairly at the workplace, in an environment free of harassment and discrimination. Any behavior which denies the dignity and respect of an individual is unacceptable and will not be tolerated by the Employer.

ARTICLE 53

TECHNOLOGICAL CHANGE

53.01 (a) Technological change means the introduction by an employer into their work, undertaking or business of equipment or material of a different nature or kind than that previously utilized by the employer in the operation of the work, undertaking or business;

and

(b) a change in the manner in which the employer carries on the work, undertaking or business that is directly related to the introduction of that equipment or material.

53.02 Before the employer proposes to effect a technological change that is likely to affect the terms and conditions or security of employment of a significant number of the employer's employees, the employer shall give notice of the technological change to the Public Service Alliance of Canada (PSAC) at least one hundred and twenty (120) days prior to the date on which the technological change is to be effected.

53.03 The notice referred to in clause 53.02 shall be in writing and shall state:

(a) the nature of the technological change;
(b) the date on which the employer proposes to effect the technological change;
(c) the approximate number and type of employees likely to be affected by the technological change;
(d) the effect that the technological change is likely to have on the terms and conditions or security of employment of the employees affected.

53.04 When the employer gives notice as per clause 53.02, it shall, on request from the bargaining agent, provide the Public Service Alliance with a statement in writing setting out:
(a) a detailed description of the nature of the proposed technological change;

(b) the names of the employees who will initially be likely to be affected by the proposed technological change; and

(c) the rationale for the change.

53.05 When an employee is affected by technological change resulting in his services to the Mint becoming redundant, the Employer will make every reasonable effort to retrain the employee for continued employment.

ARTICLE 54

DURATION AND RENEWAL

54.01 The duration of this collective agreement shall be from January 1, 2008 to December 31, 2010. Other than the base (on scale) pay increases that are retroactive to January 1, 2008 for all employees employed on or after that date, this agreement shall become effective on the date of its ratification by the union. The Agreement shall be renewed from year to year thereafter unless either party gives to the other party notice in writing within the period of four (4) months immediately preceding the date of expiration of the term of the collective agreement that it desires to terminate or amend its provisions.

54.02 Notwithstanding the preceding, this collective agreement including the provisions for the resolution of conflicts in Article 33 shall remain in effect during the negotiations for its renewal and until a new agreement becomes effective.
In witness whereof, the parties have signed in Ottawa, on this 21st day of July 2008.

LETTER OF UNDERSTANDING

TERM APPOINTMENTS

The Royal Canadian Mint and the Public Service Alliance of Canada agree that the terms and conditions outlined herein will take precedence over any terms and conditions which may deal with such matters in the RCM/PSAC collective agreement.

1. This Letter of Understanding will cover employees and positions which are affected as a result of an employee being granted an authorized leave of absence for purposes of deferred leave, leave with income averaging, maternity leave and education leave under these leave provisions of the collective agreement. It will also cover employees on sick leave for a period of 3-months or more, employees on a training assignment greater than three weeks and employees on modified duties for a specific period based on a return to work plan and for a temporary backlog for a specific project with a specific deadline.

2. When the Mint elects to fill a vacancy with a term appointment as a result of the granting of an authorized leave of absence for purposes of maternity leave, education leave or for a temporary backlog for a specified project with a specific deadline, it will inform and obtain approval in writing from the Union prior to including the term position under this Letter of Understanding.

3. Full-time employees currently working in the Region where the vacancy occurs will be given first consideration for term appointments as per the provisions of Article 31.05 of the collective agreement. Notwithstanding the provisions of Article 31.05 c), a full-time employee chosen from the Mint to fill a term appointment will be appointed to the position on an acting basis for the duration of the term subject to the employee's ability to perform the duties of the position satisfactorily. In the event that more than one full-time applicant is qualified, priority will be given to the most senior of the qualified full-time employees. At the end of the acting appointment, the employee will revert to his former classification and retain all seniority accumulated both prior to and during the acting appointment.

4. In the event that the Employer is unable to select a suitable candidate from the full-time employees for a term appointment, a term employee may be hired from outside the Mint. The duration of the term appointment will be for the full period of the term. However, the Mint reserves the right to terminate the appointment at any time for whatever reasons by giving two (2) weeks advance notice. In the event that a term employee is hired to fill a position
vacated by the full-time employee who has accepted an acting appointment to another position as per paragraph 2 of this Letter of Understanding, his term of employment will end the day prior to the day the full-time employee is scheduled to revert to his substantive classification.

5. Term employees will be subject to the provisions of the collective agreement except for Articles 15.01, 21 and 39.

LETTER OF UNDERSTANDING

APPRENTICESHIP TRAINING PROGRAM

In keeping with the Employer's human resources planning objectives, the Employer will make every reasonable effort to fill trade positions through the Apprenticeship Training Program.

The Royal Canadian Mint and the Public Service Alliance of Canada agree that subject to the provisions of the collective agreement, the following conditions will govern all apprenticeship training programs.

1. Apprenticeship programs will be established in accordance with provincial requirements and regulations and registered with the respective provincial authorities.

2. Management has the sole right to decide which candidates will be selected under the apprenticeship program and shall have, on a continuous basis, a minimum of one apprentice per Region (provided the number does not exceed the ratio stipulated by the provincial act and regulations). However, it is recognized that the Public Service Alliance of Canada will enjoy a consultative role in this selection process.

3. Apprentices will be placed on a 3-month probationary period, except those recruited for the engraving program who will be subject to a one year probation as per the provisions of Article 47 of the collective agreement. In the eventuality that the progress of apprentices is determined by Management as being unsatisfactory, they will be removed from the program subject to the appeal provisions of the relevant provincial regulations relating to apprenticeship programs. Prior to removing any candidates from a program, the Royal Canadian Mint undertakes to inform the Alliance of its decision in this regard.

4. If the Mint operations are closed in whole or in part, the Mint reserves the right to release the apprentices subject to the provisions of the collective agreement and provincial legislation.

5. Management retains the sole discretion to discharge apprentices for non-conformity with rules or regulations affecting the program, for want of industry and for indifference by the apprentice to his duties or improper conduct on Mint or school premises. This applies to all apprentices who have been removed from an Apprenticeship Program for cause by the respective
provincial authorities. Prior to implementing its decision, Management will inform the Alliance.

6. Management will make every reasonable effort to reintegrate trainees in the regular workforce when they have been removed from the apprenticeship program, except when the trainee has been removed for disciplinary reasons.

7. The apprentice must attend and complete related training to the satisfaction of the provincial and/or community college authorities as applicable.

7) At the time of initial appointment to a position in the Plating Plant, all earned leave credits will be converted to hours by multiplying the number of days by eight (8) hours per day. All leave taken/earned will be accounted for on the basis of one (1) day equals 12 hours.

8) Clause 22.09 (a) (Overtime) shall be replaced by the following:

An employee shall be compensated for overtime worked on a regularly scheduled work day or on his first, second or subsequent day of rest as follows:

on a regularly scheduled work day, double time for all hours worked in excess of twelve (12) hours;

on a first day of rest, time and one-half for the first twelve (12) hours of overtime work on double time thereafter;

on a second or subsequent day of rest, double time for all hours worked, provided the days of rest are consecutive or interrupted by a designated paid holiday.

Clause 30.01 (a) shall be replaced by the following:

An employee who works on a regularly scheduled shift between the hours of 6 p.m. and 6 a.m. shall be paid a shift premium of one dollar ($1.55) per hour for all hours worked.

9) For the purposes of Article 39 (Service), the Plating Plant shall be identified as an area of the Winnipeg Plant.

10) The parties will at all times exert their best efforts to fulfill the staffing needs at the Plating Plant by using full-time employees, as follows:

a) Employees of the Plating Plant who are qualified and readily available will be given the first opportunity to replace full-time employees of the Plating Plant who are on leave of absence, undertaking training or in an acting situation or where operational requirements necessitate additional, temporary resources in the Plating Plant. It is understood
that in such circumstances, the provisions of clause 22.05 relating to a change in the master weekly shift work schedule will not apply.

b) Regular, full-time employees of the Winnipeg Plant, who are qualified and readily available will then be given the opportunity to replace full-time employees of the Plating Plant who are on a leave of absence, undertaking training or in an acting situation or where operational requirements necessitate additional, temporary resources in the Plating Plant. It is understood that in such circumstances, the provision of clause 22.05 relating to a change in the master weekly shift work schedule will not apply.

The Schedule is comprised of twelve hour shifts, 6 a.m. – 6 p.m. and 6 p.m. – 6 a.m. The shift schedule shall rotate on the basis of seven (7) days per week and provide employees with every other weekend off.

A one-half (1/2) hour paid meal period shall be scheduled as close to the mid-point of the shift as possible. Employees shall be entitled to three (3) rest periods with pay of fifteen (15) minutes duration each staggered as evenly as possible over the course of the shift schedule. The meal period and rest periods identified in this paragraph supercede those identified in clause 22.07 of the collective agreement.

This schedule results in employees being scheduled to work extended hours of work in the amount of four (4) hours in excess of the eighty (80) hours over the two (2) week averaging period in respect of a rotating shift.

As a result of these extended hours, employees will be paid four (4) hours at the rate of 150%.

Letter of comfort

At all times, and more specifically during collective agreement negotiations, the parties agree that all Mint employees, including the Plating Plant employees, will be represented fairly in accordance with the provisions of the collective agreement and the applicable legislation.

6) Except the scenarios described in paragraph 7, where the Employer receives twenty-four (24) hours’ notice or more of leave, the Employer shall offer overtime work to plating operators prior to assigning scheduled production operators to the plating area to work shifts of up to eight (8) hours as per clauses 22.03 and 24.01 of the collective agreement.

7) The Employer may assign production operators to work twelve (12) hours shifts in the Plating Area in the following circumstances:

   I. to replace annual leave from June 1st to September 30th, (as per clause 16.07 (a));
   II. to replace plating operators absent for maternity leave, parental leave, educational leave, deferred leave and long-term sick leave (4 consecutive weeks or more) and long-term disability;

8) The Employer will make every reasonable effort to ensure that the same production operator be assigned to cover the entire duration of the leave.

9) When production operators work twelve (12) hours shifts in the Plating Area, terms and conditions specified in the Plating Area MOA shall take precedence over terms and conditions specified.

10) For every full week a production operator is scheduled to work twelve (12) hour shifts in the Plating Area, he shall receive a premium of $75.00.
