The employer will not unreasonably withhold approval for the employee who is designated by the union.

16:07 **Prepaid Leave Plan**

The Prepaid Leave Plan (PLP) is a plan developed to come into effect January 1, 1989, to afford all Employees the opportunity to take a six months (6) or one (1) year leave of absence and to finance the leave through deferral of salary in an appropriate amount from the previous years as outlined below. Such deferred salary is to be accumulated and, together with interest, paid out at the commencement of the leave.

- (a) **Eligibility:** Any employee having two (2) years' seniority with the Employer is eligible to participate in the PLP.
- (b) **Application:** Eligible employees must give six (6) months' written notice to the employer of their desire to participate in the PLP. Such notice must set out the time frame for the leave. When two (2) or more employees from the same bargaining unit request the leave for the same time period, such conflicts will be resolved by the most senior employee having the first preference.
- (c) **Plan Make-up:** The following shall constitute the deferral make-up of the plan:
 - (i) two years (6 months leave) of one-quarter of annual salary in each year followed by 6 months' leave; or
 - (ii) four years (1 year) of one-fifth of annual salary in each year followed by one year of leave.
- (d) **Terms and Conditions:** The payment of salary and benefits during the deferral period and the leave shall be as follows:
 - (i) In each year of the PLP, preceding the leave, the employee's salary shall be reduced by up to twenty-five (25) percent.

This amount, plus any interest earned, shall be retained for the participant by the Employer, to finance the leave.

- (ii) **Interest Rate:** The calculation of interest under the terms of each PLP shall be monthly (not in advance). The interest paid shall be the interest rates in effect on the last day of each month for a true savings account. The minimum rates will be those set out in writing by the bank branch with which the Employer deals.

Interest, calculated as above, shall be applied on a monthly basis. The first credit is to be made the month following the initial deposit. At the option of the employee, the money for the PLP may be invested in term deposits.

A yearly statement of the amount standing to the participant's credit will be sent to the participant by the employer.

- (iii) **Benefits Structuring:** During the years of the PLP, prior to the leave, any benefits related to salary level shall be structured according to the salary the participant would have received during the deferral period had the employee not been in the PLP.

- (iv) **Premium Cost:** A participant's coverage for all Health, Medical, Pension and LTD plans, that are in effect immediately prior to the leave, will, if eligibility conditions permit, be maintained during the leave of absence at the employee's option, however all the premium costs of such plans shall be paid by the participant during the leave.

- (v) **Vacation Holidays:** During the year of leave the employee shall not continue to accumulate paid vacations, or holidays as provided for in this Agreement. However, during the year preceding and the year following the leave, the employee will receive full vacation, and holidays in accordance with this Agreement as if employment had been continuous and not interrupted by the leave.

- (vi) **Seniority:** During the leave, seniority shall continue.

- (vii) **Pay Out:** At the commencement of the leave, the Employer shall pay to the participant the monies standing to the employee's credit less any premiums or contributions deducted for the year, except as may otherwise be mutually agreed, it being understood that interest is not earned in the year of leave.

- (e) **Assignment on Return:** On return from leave, a participant will be assigned to the same position.

- (f) **Withdrawal Rights:** A participant may withdraw from the PLP any time up to six (6) months prior to commencement of the leave. Anyone withdrawing from the PLP shall be paid a lump sum adjustment equal to monies deferred plus interest monies accrued to the date of withdrawal from the PLP. Payment shall be made as soon as possible but must be made within 30 days of withdrawal.

On leaving employment any participant who resigns or is terminated prior to commencement of the leave, shall cease to be a participant in the PLP, and shall receive payment as outlined in the paragraph above.
