**LETTER OF UNDERSTANDING
BETWEEN**

The Corporation of the Town of Whitby

(the “Employer”)

– and –

Canadian Union of Public Employees, Local 53

(the “Union”)

RE: Flexible Work Arrangements

WHEREAS the Employer and the Union are party to a full-time collective agreement effective April 1, 2020 to March 31, 2023 (the “Full-Time Collective Agreement”);

AND WHEREAS the Employer supports and encourages flexibility in work arrangements and scheduled hours of work whenever it is possible and practical to do so, without compromising the efficiency or effectiveness of the Corporation, health and safety, and/or overall service delivery;

AND WHEREAS the Employer values its employees and is committed to providing the flexibility needed to support employees with work/life balance. This flexibility is for the mutual benefit of the Town and employees, with the expectation of maintaining or improving job performance, job satisfaction and/or customer service levels;

AND WHEREAS the Union’s members have an interest in entering into flexible work arrangements, where practical and appropriate;

AND WHEREAS the Union wishes to support the ability of its members to enter into flexible work arrangements, without compromising the protections and benefits enjoyed under the Full-Time Collective Agreement by the Union, its members seeking flexible work arrangements or other bargaining unit employees;

AND WHEREAS the Parties desire to work together to explore the feasibility of flexible work arrangements for bargaining unit employees with a flexible work arrangement pilot project of a fixed duration;

NOW THEREFORE the Parties agree as follows:

1. Flexible work arrangements include compressed work weeks, flex-time and telecommuting, which shall be defined as follows:
 - a. Compressed Work Week: An arrangement where an employee’s total standard hours are worked in fewer days within a pay period.
 - b. Flex-Time: A rearrangement of standard full time hours so that the regular day’s work begins and ends at times outside of the standard business hours.

- c. Telecommuting: An arrangement where job responsibilities are completed at a remote location away from the workplace for one or more work days per week.
2. Unless otherwise specified in a flexible work arrangement, an employee's standard work hours are as set out in the Collective Agreement, namely, thirty-five (35) hours per week, Monday through Friday, 8:30 a.m. to 4:30 p.m. with one (1) hour unpaid lunch for Schedule "C" employees, and forty (40) hours per week consisting of five (5) shifts of eight (8) hours each Monday to Friday inclusive, working between the hours of 7:30 a.m. to 4:00 p.m., with one-half (0.5) hour unpaid lunch, or such other shifts as mutually agreed upon by the Union and the Corporation, for Schedule "D" employees.
 3. In order to participate in a flexible work arrangement, the Employee must satisfy the eligibility criteria and employee responsibilities set out in the Employer's "Flexible Work Arrangements Policy" (the "Policy"). It is understood that the Policy applies to all flexible work arrangements under this Letter of Understanding.
 4. Employees seeking a flexible work arrangement on a go forward basis shall use the Employer's Flexible Work Arrangement Proposal form (the "Form") to make their request.
 5. Employees may bring ideas for flexible work arrangements to their supervisors/managers, and flexible work arrangements should be developed by employees and their supervisors/managers directly. Flexible work arrangements which involve telecommuting only and do not otherwise change the employee's working conditions can be agreed upon by an employee and their manager/supervisor directly. The Employer shall provide the Union Secretary with copies of the signed Form upon completion, and shall also provide the Union Secretary with copies of any adjustments to the arrangement following the annual review of the flexible work arrangement. However, all other flexible work arrangements must be agreed upon in writing with the mutual consent of the Employer, the Union, and the affected employee(s).
 6. The employee and their manager/supervisor shall complete the Form based on their agreed proposal and submit it to the Union Secretary and Human Resources for final review and agreement. It is understood that such agreement shall not be unreasonably withheld. The Form shall specify the standard hours of the affected employee(s) under the flexible work arrangement. The parties agree that the standard hours in a flexible work arrangement shall supersede the standard work hours in the Collective Agreement for the affected employee(s) and that these hours shall be the standard work hours of the affected employee(s) for, among others, overtime purposes.
 7. The Union and Human Resources shall have two (2) weeks from the date the Form is provided to the Union Secretary to raise any concerns and return the signed Form. The parties shall work collaboratively and expeditiously to address concerns and process flexible work arrangement requests. The parties agree that the process outlined above shall apply to any subsequent modifications to a flexible work arrangement following the annual review.
 8. The parties agree that, to the extent possible, it is desirable for employees who are currently in flexible work arrangements that are a direct result of the response to the COVID-19 pandemic to

continue with their flexible work arrangements. These arrangements shall continue until May 1, 2022 or the date that masking and social distancing requirements are lifted, whichever comes first. These arrangements may be extended upon mutual agreement of the Union and the Employer for a further three months at a time, based on public health guidance available at the time. Should these arrangements need to be extended the Union and the Employer shall meet to discuss the duration of the extension. For clarity, the Parties agree that employees are free to follow the process outlined in this Letter of Understanding if they wish to request to continue with these flexible work arrangements developed in response to the COVID-19 pandemic beyond the date that they otherwise expire.

9. Subject to discussion between the Employer, the Union and the affected employees, any of the parties to a flexible work arrangement may terminate the flexible work arrangement and agreement, with thirty (30) days notice, at any time.
10. The Union accepts that the operational needs of departments vary and that each arrangement of hours of work must be considered in light of those needs.
11. This letter of understanding and any flexible work arrangements and agreements hereunder shall expire on March 31, 2023 unless mutually extended by the Union and the Employer in writing. The parties shall meet in early 2023, prior to the expiry of this letter of understanding, in order to discuss and review how flexible work arrangements have worked for the parties, whether they wish to renew this letter of understanding, and, if so, whether there are modifications they wish to make in light of their experiences to date.
