20.03 A "Group Grievance" is defined as a single grievance, signed by a Steward or a Union Representative on behalf of a group of employees who have the same complaint. Such grievances must be dealt with at successive stages of the Grievance Procedure commencing with Step 1. The grievors will be listed on the grievance form.

20.04 A "Policy Grievance" is defined as one which involves a question relating to the interpretation, application or administration of the Agreement. A Policy Grievance may be submitted by either party to arbitration under Article 20, by-

passing Steps 1 and 2. Such Policy Grievance shall be signed by a Steward, a Union Representative, or in the case of an Employer's Policy Grievance, by the Employer or his representative.

20.05 Step 1

Any employee having a grievance will, accompanied by a Steward or a Union Representative, submit the same to his immediate supervisor within five (5) work days of the act or condition causing the grievance. This supervisor will deal with the grievance not later than the third work day following the day upon which the grievance is submitted and will notify the grievor and the Union Representative of his decision in writing.

Step 2

If the grievance is not settled under Step 1, a Union Representative may within five (5) work days of the decision under Step 1, or within five (5) work days of the day this decision should have been made, submit a written grievance to the Employer. The parties shall meet to discuss the grievance within one (1) week after the grievance has been filed. The Employer shall notify the grievor and the Union Representative of his decision in writing within three (3) work days following the said meeting.

ARTICLE 21 - ARBITRATION

21.01 If the parties fail to settle the grievance at Step 2 of the Grievance Procedure the grievance may be referred to arbitration under the following procedure.

21.02 The party requiring the arbitration must serve the other party with written notice of desire to arbitrate within fourteen (14)

G. S. SHEET METAL

COLLECTIVE AGREEMENT: May 1, 2021 – April 30, 2023

days after receiving the decision given at Step 2 of the Grievance Procedure.

- 21.03 If a notice of desire to arbitrate is served, the two parties shall each nominate an arbitrator within seven (7) day of service and notify the other party of the name and address of its nominee. The two arbitrators so appointed shall attempt to select, by agreement, a Chairman. If they are unable to agree upon a Chairman within seven (7) days of their appointment, either party may request the Minister of Labour to appoint an impartial Chairman.
- 21.04 No person may be appointed as Chairman who has been involved in an attempt to negotiate or settle the grievance.
- 21.05 The decision of a majority is the decision of the Arbitration Board, but if there is no majority the decision of the Chairman of the Arbitration Board governs.
- 21.06 Notices of desire to arbitrate and of nominations of an arbitrator shall be served personally or by registered mail. If served by registered mail, the date of mailing shall be deemed to be the date of service.
- 21.07 If a party refuses or neglects to answer a grievance at any stage of the Grievance Procedure, the other party may commence arbitration proceedings and if the party in default refuses or neglects to appoint an arbitrator in accordance with Article 21.03, the party not in default may, upon notice to the party in default, appoint a single arbitrator to hear the grievance and his decision shall be final and binding upon both parties.
- 21.08 It is agreed that the Arbitration Board shall have the jurisdiction power and authority to give relief for default in

complying with the time limits set out in Articles 20 and 21 where it appears that the default was owing to a reliance upon the words or conduct of the other party.

21.09 An employee found to be wrongfully discharged or suspended will be reinstated without loss of service credit and with back pay calculated at day rate or average earnings, as applicable, times normal hours, less any monies earned, or by any other arrangement which is just and equitable in the opinion of the Arbitration Board.

21.10 Where the Arbitration Board is of the opinion that there is proper cause for disciplining an employee, but considers the penalty imposed too severe in view of the employee's employment record and the circumstances surrounding the discharge or suspension, the Arbitration Board may substitute a penalty which is, in its opinion, just and equitable.

21.11 Each of the parties hereto, will bear the expense of the arbitrator appointed by it, and the parties will jointly bear the expenses of the Chairman of the Arbitration Board.

ARTICLE 22 - DISCHARGE, SUSPENSION AND WARNING

22.01 When the attitude or performance of an employee calls for a warning by the Employer, such a warning shall be a written one, and a copy of this warning will be forwarded immediately to the area Union office. Letters of Warning or discipline shall be removed from an employee's file and record eighteen (18) months from the date of issue.

22.02 An employee may be suspended or discharged for proper cause by the Employer. Within five (5) workdays following the

suspension or discharge, the employee involved, together with a Union Representative, may interview the Employer concerning the reason leading to the suspension or discharge. Within five (5) workdays following the interview, the Union may submit the complaint to arbitration.

ARTICLE 23 - JURY DUTY

23.01 The Employer shall pay the regular daily wages of an employee while serving as a juror, for up to five days provided the employee:

- a. notifies the Employer immediately that he is required to attend court for jury selection; and
- b. presents proof of service requiring the employee's attendance.

ARTICLE 24 - BEREAVEMENT LEAVE

24.01 In the case of a death in the family of an employee, the Employer will grant a leave of absence from work for the purpose of grieving, making arrangements for the funeral and attending the funeral.

24.02 Paid time for such leave is limited to five (5) working days in the death of a member of the immediate family. Immediate family is defined as spouse, parent, child, spouse's parents, and spouse's children. Paid leave is limited to the period beginning the date of death and ending seven (7) calendar days later. In the event of an internment or memorial held after one (1) week, up to two (2) days may be taken at that time. Paid leave applies to days that the employee would have worked.

ARTICLE 25 - DURATION

25.01 This Agreement shall be effective on the first (1st) day of May, two thousand and twenty-one (2021) shall remain in effect until the thirtieth (30th) day of April, two thousand and twenty-three (2023) and for further periods of one (1) year, unless notice shall be given, by either party, of the desire to amend, change or delete any of the provisions contained herein, within the period of ninety (90) prior to the renewal date. Should neither of the parties give such notice, this Agreement shall renew for a period of one (1) year.

LABOURER CLASSIFICATION

Whereas the parties agree that their mutual interests may be furthered by the addition of a labourer classification, they agree as follows:

1. A labourer may be used to complement the workforce, and shall not detract from the intent of the parties to train apprentices in the sheet metal trade. The content of this Letter of Agreement, its application and interpretation shall be subjected to this guiding principle foremost.
2. Except as amended herein, all other Collective Agreement provisions are applicable.
3. A labourer is to work with and under the supervision of a licensed journeyman, and works primarily in and out of the shop.
4. Acceptable duties include: form and assemble fillings; cut, notch and form duct; cut cleats, cut and form angle, hanger strap and channel inventory, clean shop and other general duties as directed by the shop foreperson; load and unload materials or equipment at the shop or, from time to time, at the job site;

G. S. SHEET METAL

COLLECTIVE AGREEMENT: May 1, 2021 – April 30, 2023

occasionally make deliveries to the job site; assist in the moving and locating of product or equipment on the job site as may be needed from time to time on jobsites; perform cutting and patching of walls, ceilings, floors, etc. (but not of duct work and related materials) as may be directed by jobsite forepersons; and other similar duties.

5. Duties not included or intended in this letter (such duties are examples rather than an exhaustive list) are: layout and cut fittings in shop or on job site; any installation of duct, equipment, or related material on job site; direction or supervision of another employee (although in rare circumstances one labourer may provide direction to another or to a new apprentice); and any other duties inconsistent with the guiding principle described above, or inconsistent with the content of this Letter, with the Collective Agreement or with the relevant legislation.
6. The apprentice tool requirement does not apply to labourers.
7. Where it is desirous to offer an apprenticeship to a labourer, the Employer may exercise discretion regarding the specific arrangements, and advise the Union immediately of such change in status.
8. The hourly wage rates are based on the journeyperson rates, and at minimum, shall be:

1 st Year	40%
2 nd Year	45%
3 rd Year	50%
4 th Year	55%
5 th Year	60%

The parties agree that no current labourers will have their wage decreased, but a new schedule will be adopted for new hires and year-over-year increases for current labourers.

9. In case of a need to reduce the workforce, labourers normally shall be laid off prior to journeypersons and apprentices, provided the journeyperson and apprentice has served his probation period. In case of a recall, laid off journeypersons and apprentices who have served their probation period normally shall be recalled before labourers. In all cases labourers will be laid off before journeymen and apprentices whose date of hire is earlier, and in all cases journeymen and apprentices will be recalled from layoff prior to labourers whose date of hire is later.
