- 10.05 The Arbitrator shall not be authorized to make any decision inconsistent with the provisions of this Agreement, nor to alter, modify, add to, or amend any part of this Agreement.

- (a) has successfully completed the probationary period;
- (b) notifies the Employer as soon as he becomes aware of the requirement to serve as a juror and provides the Jury Notice; and,
- (c) presents an itemized statement from the appropriate court official indicating the dates, time of service, and fees paid on each date.

## **ARTICLE 24 – VACATIONS**

24.01 Vacations with pay shall be granted to all employees on the payroll of the Employer on the basis of their seniority with the Employer as defined in Article 11 of the Collective Agreement.

24.02 (a) Employees with less than one (1) year seniority will be paid vacations in accordance with the provisions of part VIII of the Employment Standards Act, 2000.

(b) Employees with one (1) year, but less than five (5) years of seniority, two (2) weeks, with vacation pay of four percent (4%) of gross earnings, based on the previous twelve (12) month period;

(c) Employees with five (5) years of seniority or more, three (3) weeks, with vacation pay of six percent (6%) of gross earnings, based on the previous (12) month period;

(d) Employees with eleven (11) years of seniority or more, four (4) weeks, with vacation pay of eight percent (8%) of gross earnings, based on the previous (12) month period;

- 24.03 The Employer agrees to post a vacation schedule for the next vacation year on the bulletin board on or before April 1 of each year. The schedule will be posted for thirty (30) days during which employees will indicate their vacation date preference. A completed vacation schedule shall be posted by May 15 of each year.
- 24.04 Where two (2) or more employees request the same vacation period within the thirty (30) days provided for in Article 24.03, and the Employer decides to grant only one employee's request, seniority will govern in the allocation of the vacation period.
- 24.05 Vacations must be taken at such times as are approved by the Employer having regard to the Employer's need to maintain a qualified and efficient workforce.
- 24.06 If an employee wants to change his vacation or add vacation after the vacation schedule is published, he must have the Employer's consent and no such change can displace vacations already scheduled and approved by the Employer. Notice to that effect shall be given at least two (2) weeks in advance. Such approval will not be unreasonably withheld. After the vacation schedule is published, requests to change or add vacation not originally scheduled

will be approved in order of the request made. If the request is made at the same time by two or more employees, seniority will govern the allocation of the vacation period.

- 24.07 The vacation period shall be from July 1st to June 30th. Vacations can not be carried over from year to year.
- 24.08 At the request of the employee, vacation pay shall be given to the employee on a separate cheque on the payroll immediately preceding their vacation.
- 24.09 Any vacation pay not used through the vacation period will be paid out at the end of the vacation year.

## **ARTICLE 25 – HOURS OF WORK AND OVERTIME**

- 25.01 It is understood and agreed that this Article is intended to provide the basis of a work week and shall not constitute a guarantee of hours of work per day or per week, number of days per week or as a guarantee of work schedules.
- 25.02 The normal work week will be comprised of five (5) consecutive days Monday through Friday with the exception of the “Midnight Shift” which shall be from Sunday to Thursday.
- 25.03 The normal hours of work will be eight (8) hours per day, and forty (40) hours will constitute a normal work week.
- 25.04 There shall be a one-half (1/2) hour unpaid meal break provided for all employees, the time to be designated by the Employer. This break shall not constitute part of the eight (8) hours in a day.
- 25.05 Employees shall be entitled to one (1) paid fifteen (15) minute break in the first half of their shift and one (1) paid ten (10) minute break in the second half of their shift.

25.06 Overtime will be offered on a voluntary basis to employees who are at work at the facility where the required work is performed when the overtime is required. Overtime will be granted in the following order of priority:

- (a) Employees with the most seniority within the group of qualified employees who normally perform the required work; and then
- (b) Employees with the most seniority who are qualified to perform the work required.

Employees will volunteer for overtime by signing an overtime sheet posted at their facility. If there are no volunteers within the group of qualified employees or if the Employer is unable to find sufficient volunteers among these employees, the most junior qualified employees who normally perform the required work and who are at work at the facility where the required work is performed must accept the overtime assignment. The Employer will endeavor whenever possible to notify employees of overtime at least two (2) hours in advance.

It is understood that the foregoing applies to weekday overtime opportunities. In the case of

weekend overtime opportunities, these will be offered on a bargaining unit wide basis and will be assigned as above.

- 25.07 Employees shall be provided with one paid fifteen (15) minute break, scheduled by the Employer, on overtime shifts of more than three (3) hours.
- 25.08 The Employer shall continue its practice of allowing all employees a paid five (5) minute wash up at the completion of their shift. Employees must not leave their workstation prior to this five (5) minute period.
- 25.09 Overtime at the rate of time and one-half ( $1 \frac{1}{2} \times$ ) the employee's basic rate of pay shall be paid for hours worked in excess of eight (8) hours in a day and/or forty (40) hours in a week. (b) Further, overtime at the rate of time and one-half ( $1 \frac{1}{2} \times$ ) the employee's basic rate of pay shall be paid for all hours worked on the employee's sixth (6th) and seventh (7th) consecutive day worked.
- 25.10 The Employer may be required to staff each shift with qualified employees during the orientation of new employees, until they are sufficiently capable of performing their work functions. The

seniority employees may request a return to their regular shifts. This provision will apply for new employees and or employees transferred as a result of successful job bidding.

- 25.11 The Union and the employees agree they will comply with the requirement for all employees to be at their work station properly attired and ready for work at the start of their shift.
- 25.12 Employer is permitted to schedule other working hours or other shifts. The Employer must inform the employees at least five (5) working days before such changes. These new shifts or new hours will be offered once by seniority among qualified employees.
- 25.13 Overtime hours may be offered before the end of a shift or on a Saturday and/or Sunday.
- 25.14 Employees performing overtime work outside of the work that they normally perform will be paid the pay rate for the work they perform. However, if an employee is scheduled for overtime work in his regular job and is assigned to a lower rated job on the day of such overtime, he will receive his regular rate.

## **ARTICLE 26 – LAY OFFS**

- 26.01 When the Employer deems it necessary to reduce the workforce for more than ten (10) working days, facility-wide seniority will be the guiding factor, consistent with the Employer's right to maintain a workforce of employees who have the qualifications, skill, ability, and are physically able to perform the work that is available, at the time of the lay-off, at the rate of the job.
- 26.02 When the Employer deems it necessary to reduce the workforce for more than two (2) working days, the Employer whenever possible, will give regular employees at work one (1) working day's clear notice of the lay off. The Employer will notify employees to be laid off verbally, and if possible, post a list of names of employees to be laid off on all of the facility bulletin boards.

Layoffs will occur in order of reverse seniority, whereby the least senior employees within that classification on the affected shift, at the affected location, will be laid off first. Surplus employees will be eligible to exercise their bumping rights.

Surplus employees will:

- (a) In order of their preference displace the most junior employee within their classification, on a shift and at a location of their choosing provided they possess more seniority than that employee;

In the event there is no junior employee to be displaced in their current classification, the surplus employee shall have the following options:

- (i) They may displace the most junior employee within a lateral or lower classification on a shift and at a location of their choosing, provided the surplus employee has more seniority, and immediately possesses the required qualifications, skill, ability and is physically able to perform the work; or
- (ii) Accept a lay-off.

(For clarity: An employee exercising option (i) will be paid in accordance with "Schedule A" of the classification they have transferred to, however will maintain the right of recall to their previous classification for a period equivalent to the lesser of the employee's seniority; or twelve (12) months.).

Surplus employees must notify the Employer, in writing, of their selection within two (2) working days of receipt of their list of bumping options as provided by the Employer. The Union, Employee and Employer agree to cooperate fully in the execution of bumping.

- 26.03 Any employee who refuses a transfer to the available work under Clause 11.01, will lose his seniority and his employment with the Employer will be terminated. An employee may refuse a work assignment, at the time of lay off, to other than his own classification. When “recalled”, he may refuse assignments to other than his own classification also, he must however return to work when “recalled” to his own classification. Refusal of work is permitted only when there is a junior qualified employee available to take the work assignment. In the event that Employment Canada changes any rules which may be detrimental to any employee involved in this provision, this provision becomes null and void, and shall be renegotiated with the Union. Failure to reach agreement will subject the matter to arbitration.

26.04 If no work is available because of fire, lack of power, act of God or for any other reason beyond the control of the Employer, employees may be laid off, and the seniority provision of Clause 26.01 will not apply and the lay off notice provision of 26.02 shall not apply.

## **ARTICLE 27 – WAGES & BENEFITS**

27.01 The wage rates for employees covered by this Collective Agreement shall be set out in Schedule “A”.

27.02 During the course of this Agreement, if the Employer institutes a new job classification, the Employer will set a wage rate and the Union will be notified. If the Union disagrees with the rate, the Union will so advise the Employer within thirty (30) days of notification, after which a meeting will be arranged to negotiate the rate. If no agreement can be reached, the Union may refer the issue to arbitration.

27.03 There shall be a shift premium of one dollar and twenty-five cents (\$1.25) per hour for the second shift.

There shall be a shift premium of two dollars and fifty cents (\$2.50) per hour for the third shift. It being understood the third shift remain at 37.5 hours.

27.04 The parties agree to meet in June and July 2022 to determine the hourly rates and benefit coverage to be paid during the period of

August 1, 2022 to July 31, 2023. In the event that an agreement is not reached, the parties may apply to the Ontario Labour Relations Board for early termination of this Agreement in order that the facilities of the Conciliation and Mediation Branch of the Ontario Ministry of Labour will be able to assist in resolving the matter.

27.05 The Employer will provide up to \$250 reimbursement every 24 months in respect of optical on presentation of the receipt and a copy of the prescription for eye glasses or contact lenses. The Employer will also provide up to \$50 reimbursement every 24 months in respect of eye examination subject to same conditions as above. This will apply to each family member.

If the OHSA is amended during the term of this Agreement, the provisions of the amended legislation shall replace this Article.

28.05 With the exception of safety shoes, the Employer shall provide safety equipment required pursuant to the Occupational Health and Safety Act.

28.06 After the probationary period, the Employer agrees to furnish, once a year, a pair of safety shoes or boots, approved C.S.A. The employee must wear the safety shoes or boots while on Employer premises.

For further clarity, it is understood and agreed that the Employer is only responsible for one pair of safety shoes or boots per employee per year with a value of not more than one hundred and thirty dollars (\$130.00) plus applicable taxes. It is further understood that should an employee choose a pair of safety shoes or boots that are more than one hundred and thirty dollars (\$130.00) plus applicable taxes the employee shall contribute the difference. Such amount will be increased to one hundred and fifty dollars (\$150.00) effective August 1, 2021.

Employees will be entitled to bank the annual safety shoes/boots allocation for two (2) years.

## **ARTICLE 29 – BEREAVEMENT LEAVE**

(c) In order to obtain pay under this Article, it is understood that the employee is required to provide satisfactory proof of death if requested.

(d) It is agreed that the employee may opt to take their entitlement, as set out above, at a later date, provided such days are used within one (1) month of the death.

## **ARTICLE 30 – GENERAL**

#### **POSTING OF VACANCIES**
